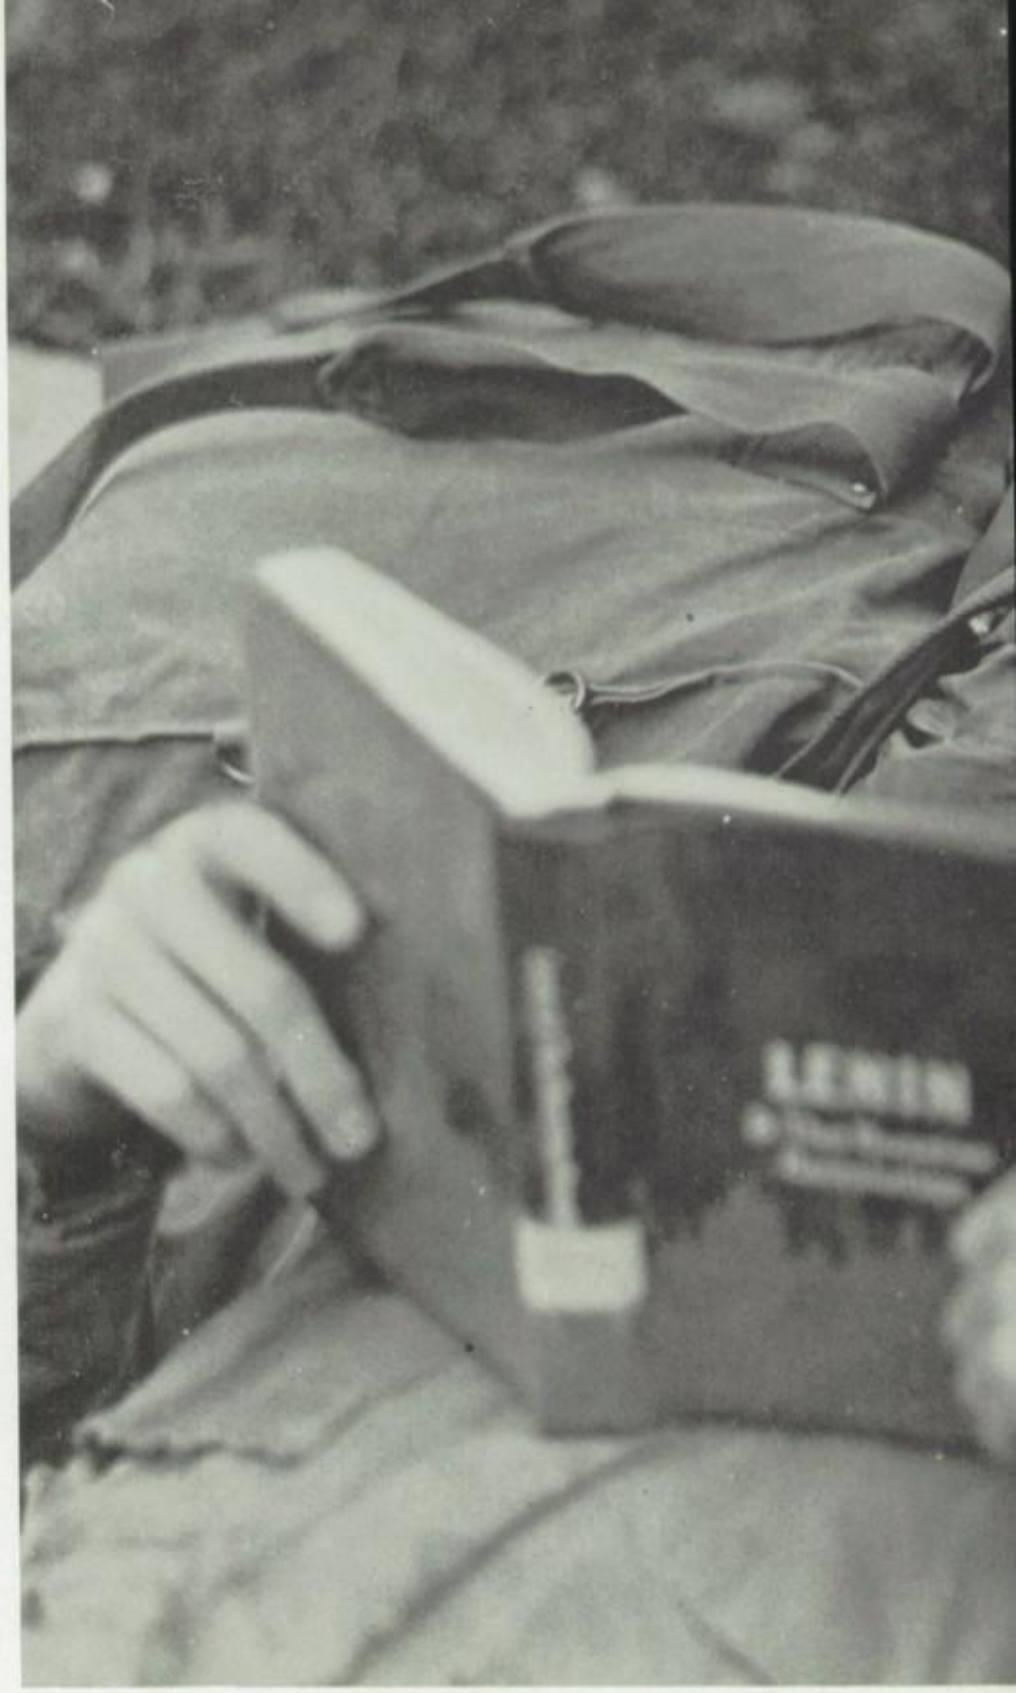
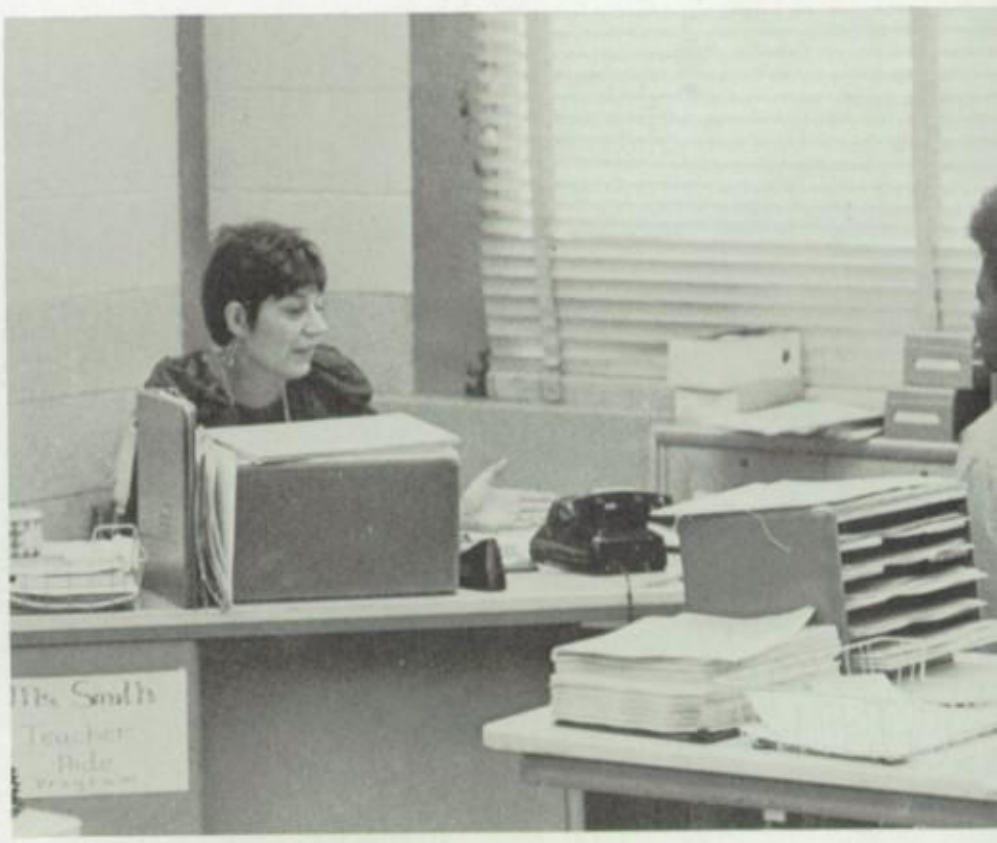
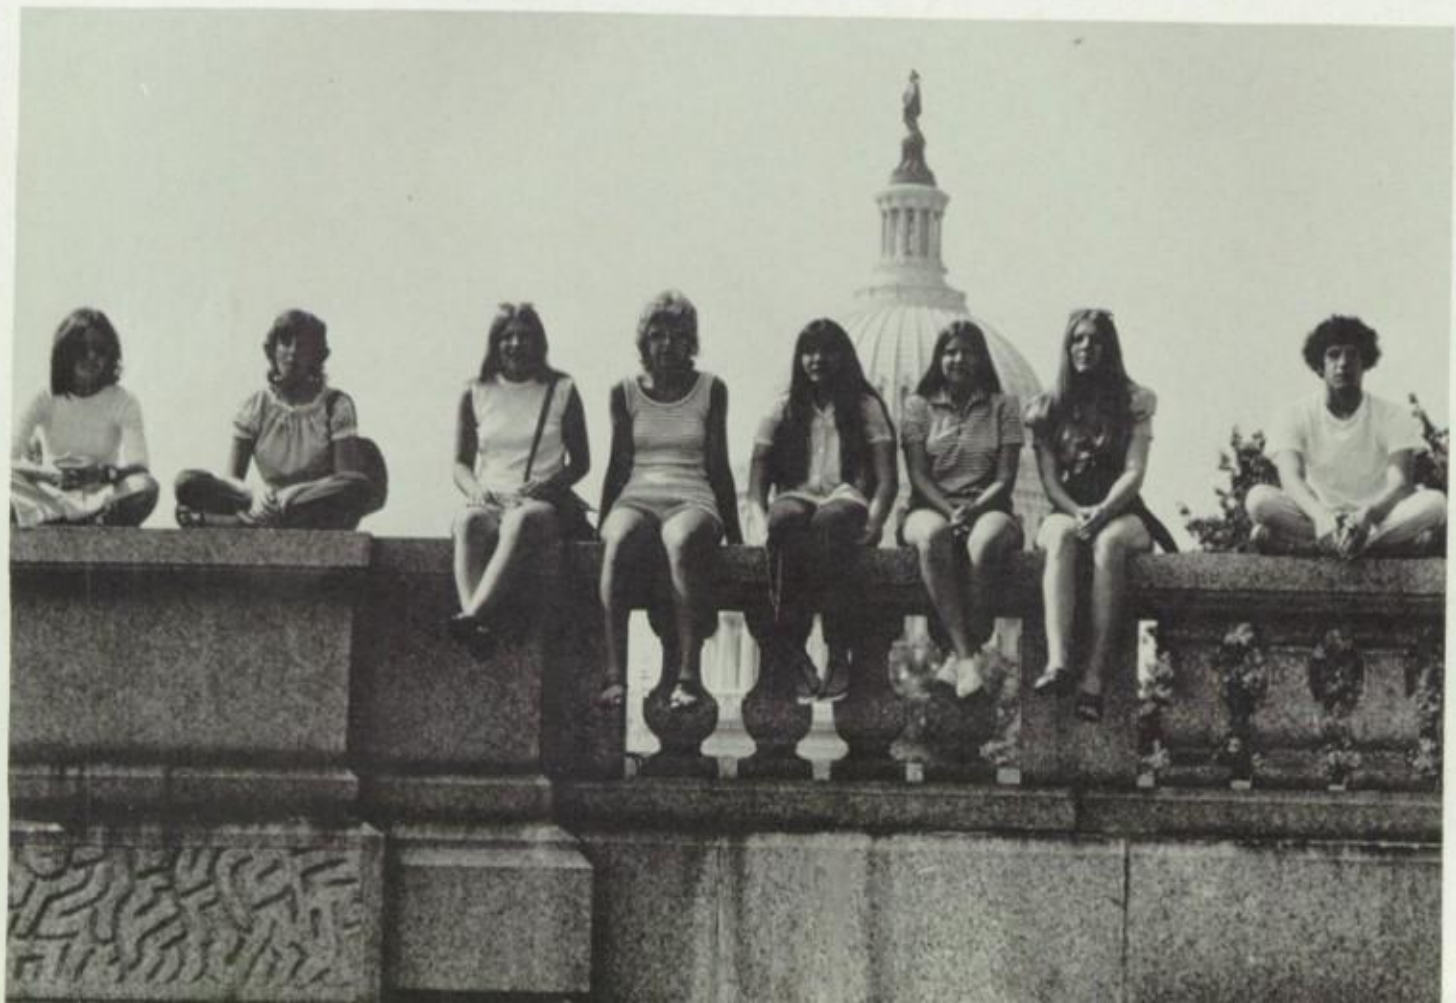
Different Ways Of Learning At S.B.H.S.







Learning Through Music

Carol,
Good luck in the future with Ray.

we were talking. Remember all

The purpose of the first half of the yearbook was to serve as an identification of students and their activities. The second half, which is to follow, is a chronology of the events that occurred in the school, in the order in which they happened. The chronology was divided into three parts, Fall, Winter, and Spring. The spring section will be in the form of a supplement which will be delivered in the fall of 1974.

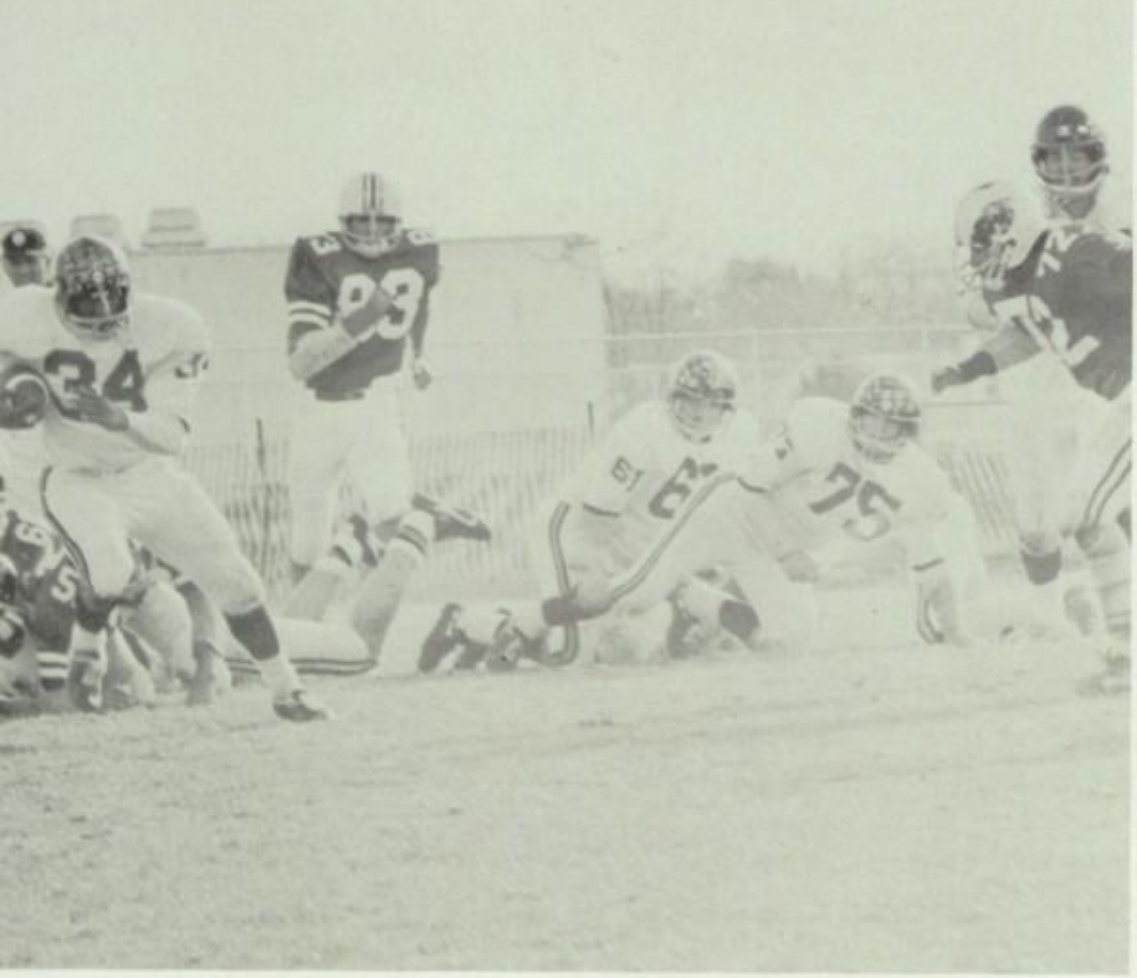
FALL

'73 Football



The Vikings got off to a great start this year winning the first three games of the season. Bordentown, 12-6; Burlington Township, 21-0; Northern Burlington, 19-6. The only loss was to Lawrence this season, 0-12.

All league team members were John Hackworth; Dave Palmer; Tom McIntyre; Scott Norris; Dave Prouty; Wyn Birkenthal; Marc Rubenstein; Greg Bossow; and Joe Calvanelli.

Star leaguer of the all county team was 1st string defensive end — Scott Norris.

Takes A Lot Of Thought And Action

Soccer

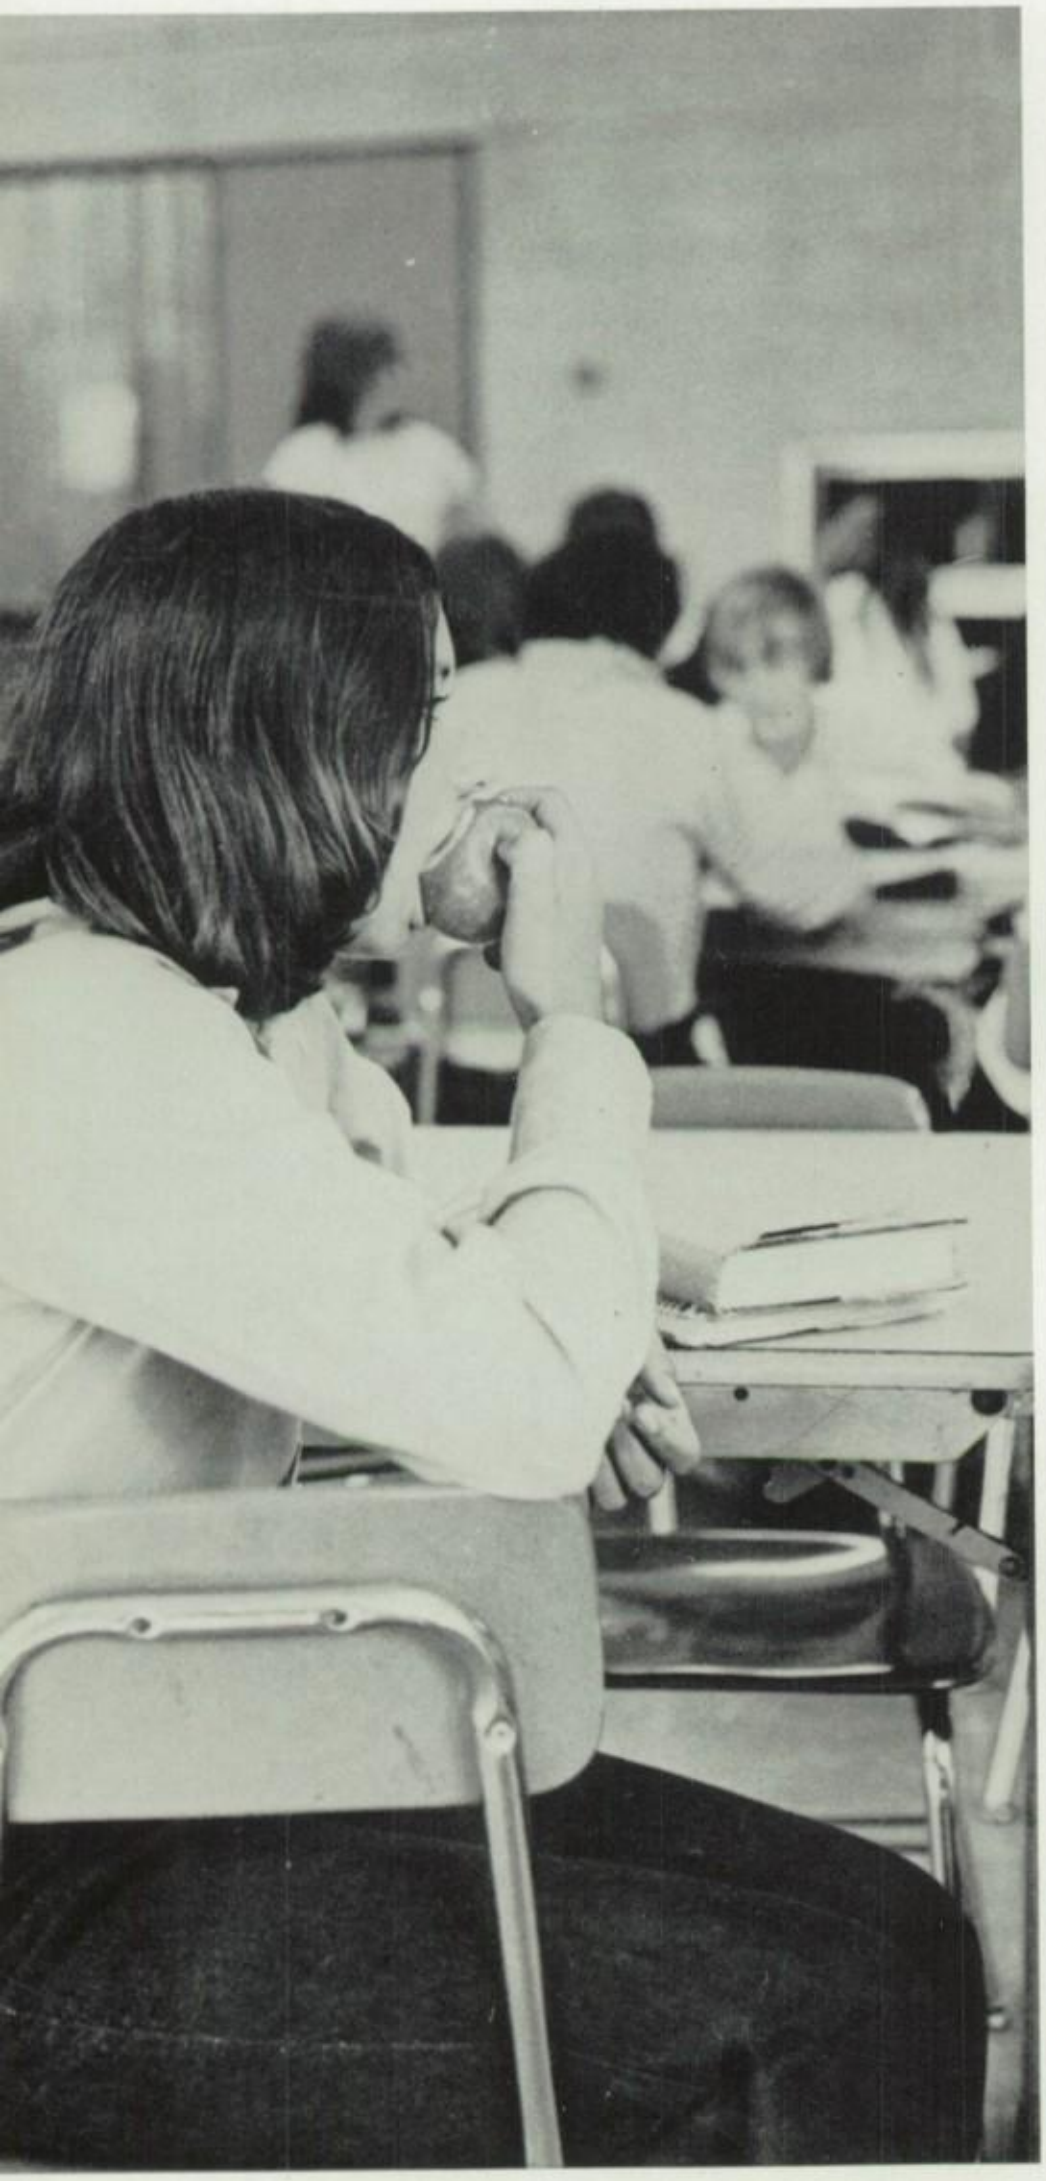
A Winning Season 8-5-2

Soccer, it comes at the same time of the year as football. The guys don't get half of the support that the football team gets, yet they came through with a winning season of 8-5-2.

Captains, Kevin Maxfield, and Jonathan Starr, did a great job working with the other members this year.

Hopefully, next year the soccer team will get the support that they need and deserve.

Food All Day In The Cafeteria



For the first time at S.B. an open cafeteria system is working out. Coffee, doughnuts, drinks, fruit, cookies, rolls, sandwiches, and desserts are available all day in the cafeteria.

The system is going over very well and is a big improvement to the High School.

Cross Country
They Win A Lot
And Lose A Few

As they hoped for last year, this year's Cross Country team had a winning season. Their record was 10 wins and 5 losses. Most of the team members are young, and still have a couple of years to achieve more on the team.

Dave Young, set a school record of 5:12, he placed fourth in the all league conference, and got the Middlesex, all county award.

Pete Medell and Carlos Pignato also placed in the all league conference.

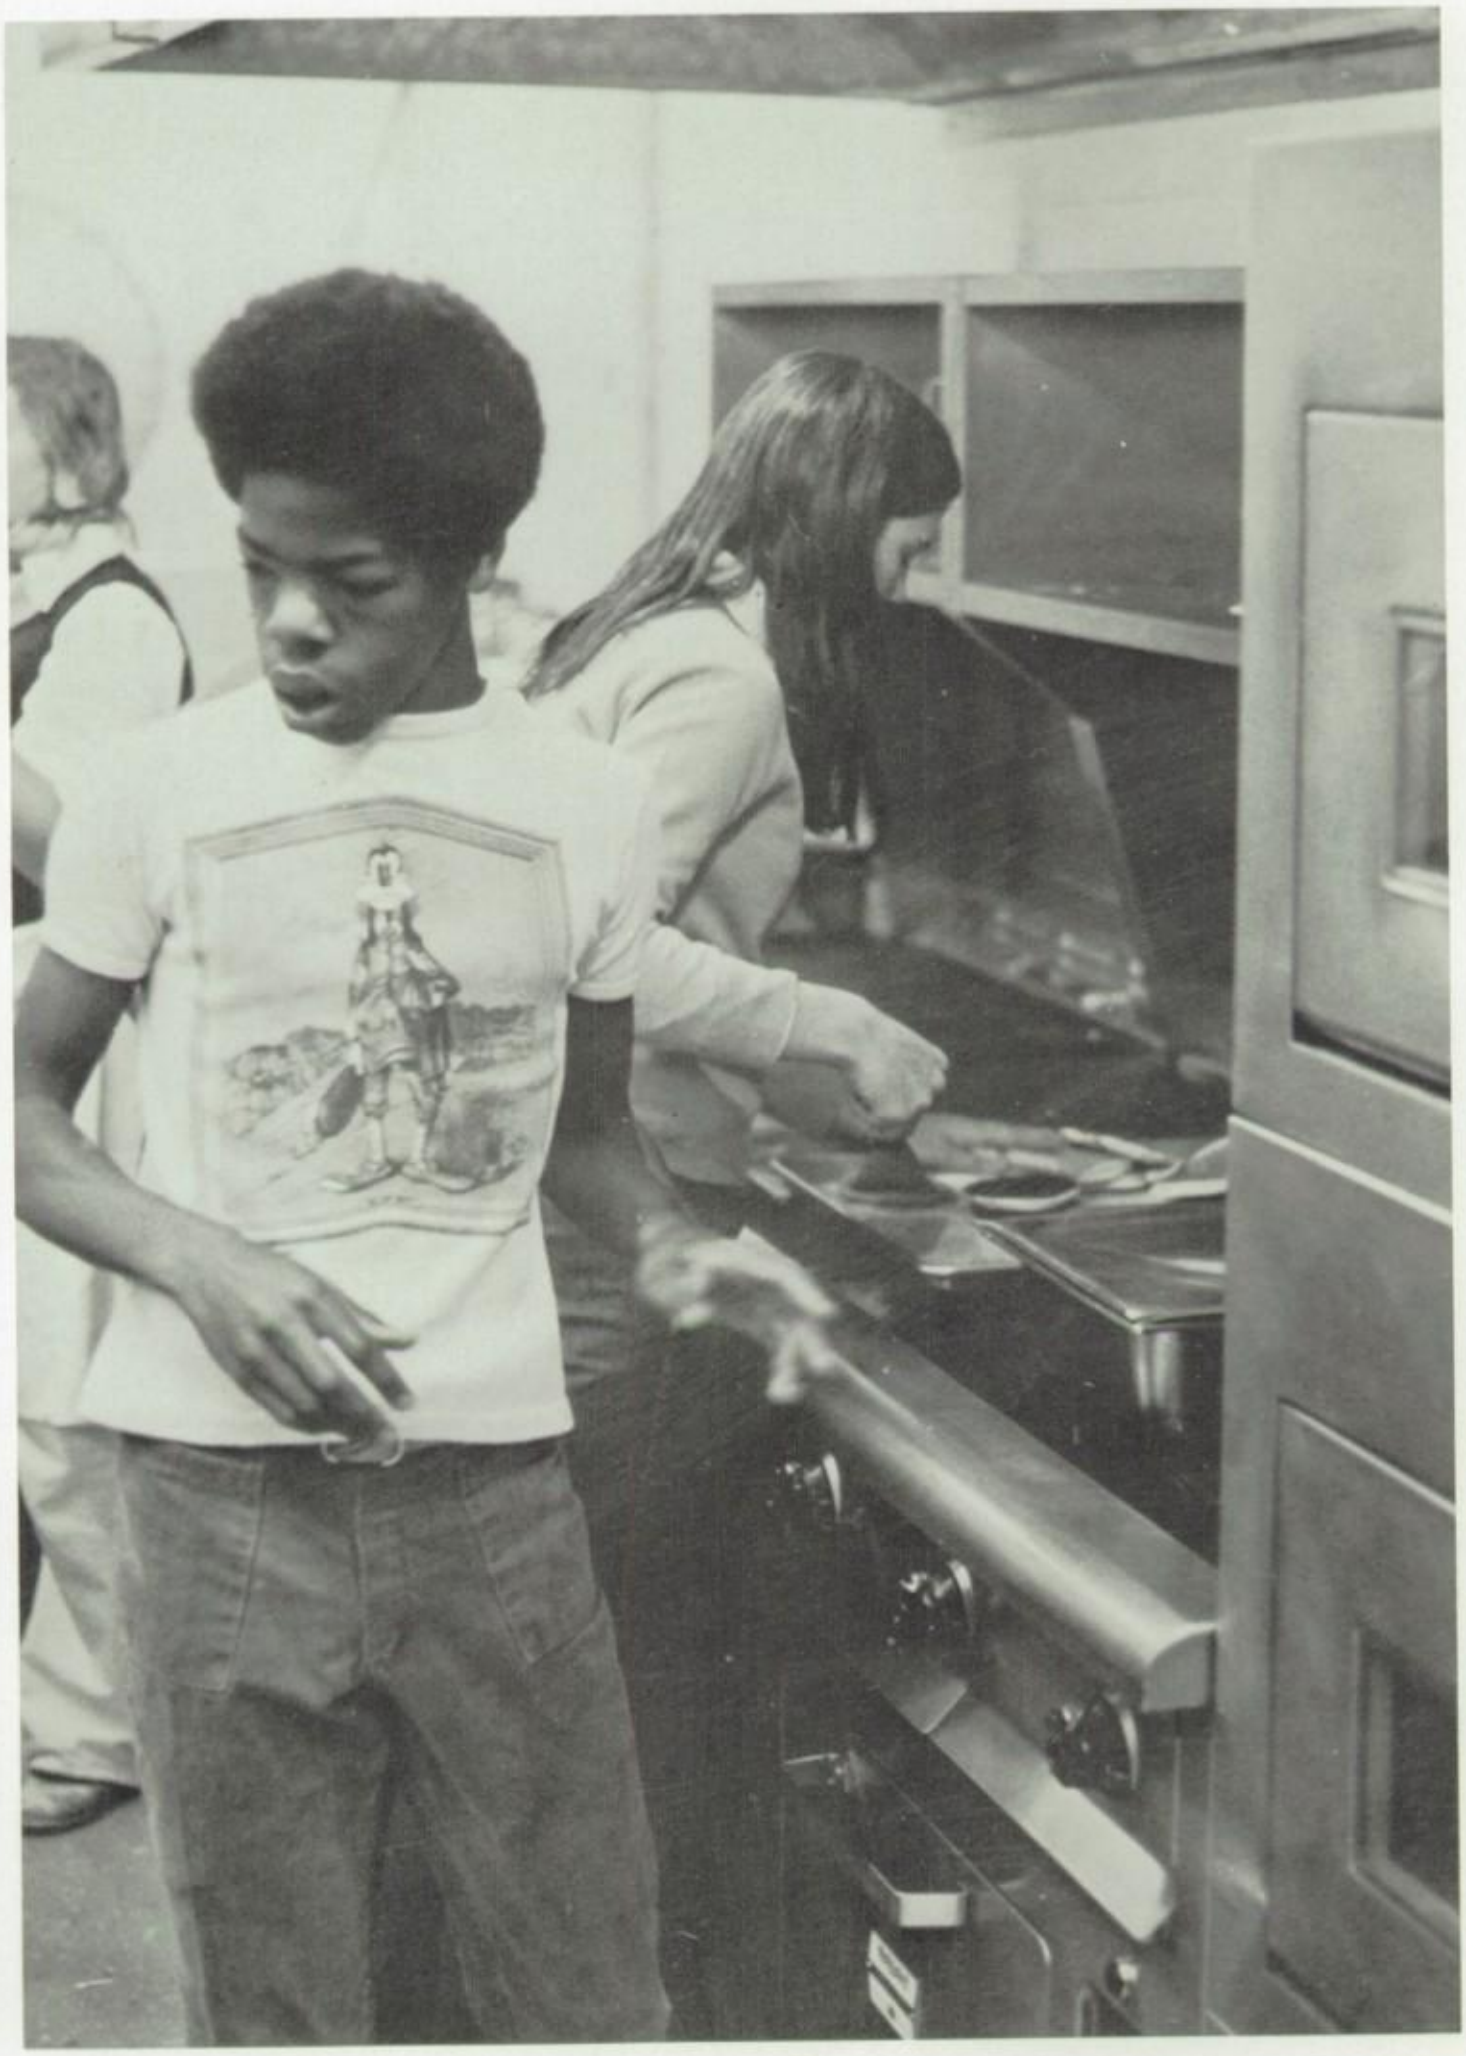
Field Hockey
Even When Disappointed

Even though their record was 2-11-1 they are improving, and working very hard. Captain Dot O'Brien along with coaches Marlene Huschke, and Pricilla Cooke, are working very hard to get the team in shape.

Hopefully, next year the girls will put forth all the effort they can and have a winning season.

They Keep On Trying

Sophomore Class Pancake Breakfast



The Sophomore class, sponsored a pancake breakfast, which was very successful and a lot of fun. The class was very happy with it's success, and hopes that future projects will go as well.

The Fans . . .

And The Band

With Mr. Reid leading, the band keeps marching right alongside the team to give them spirit and keep them going for the season.

When Your Friends Are There

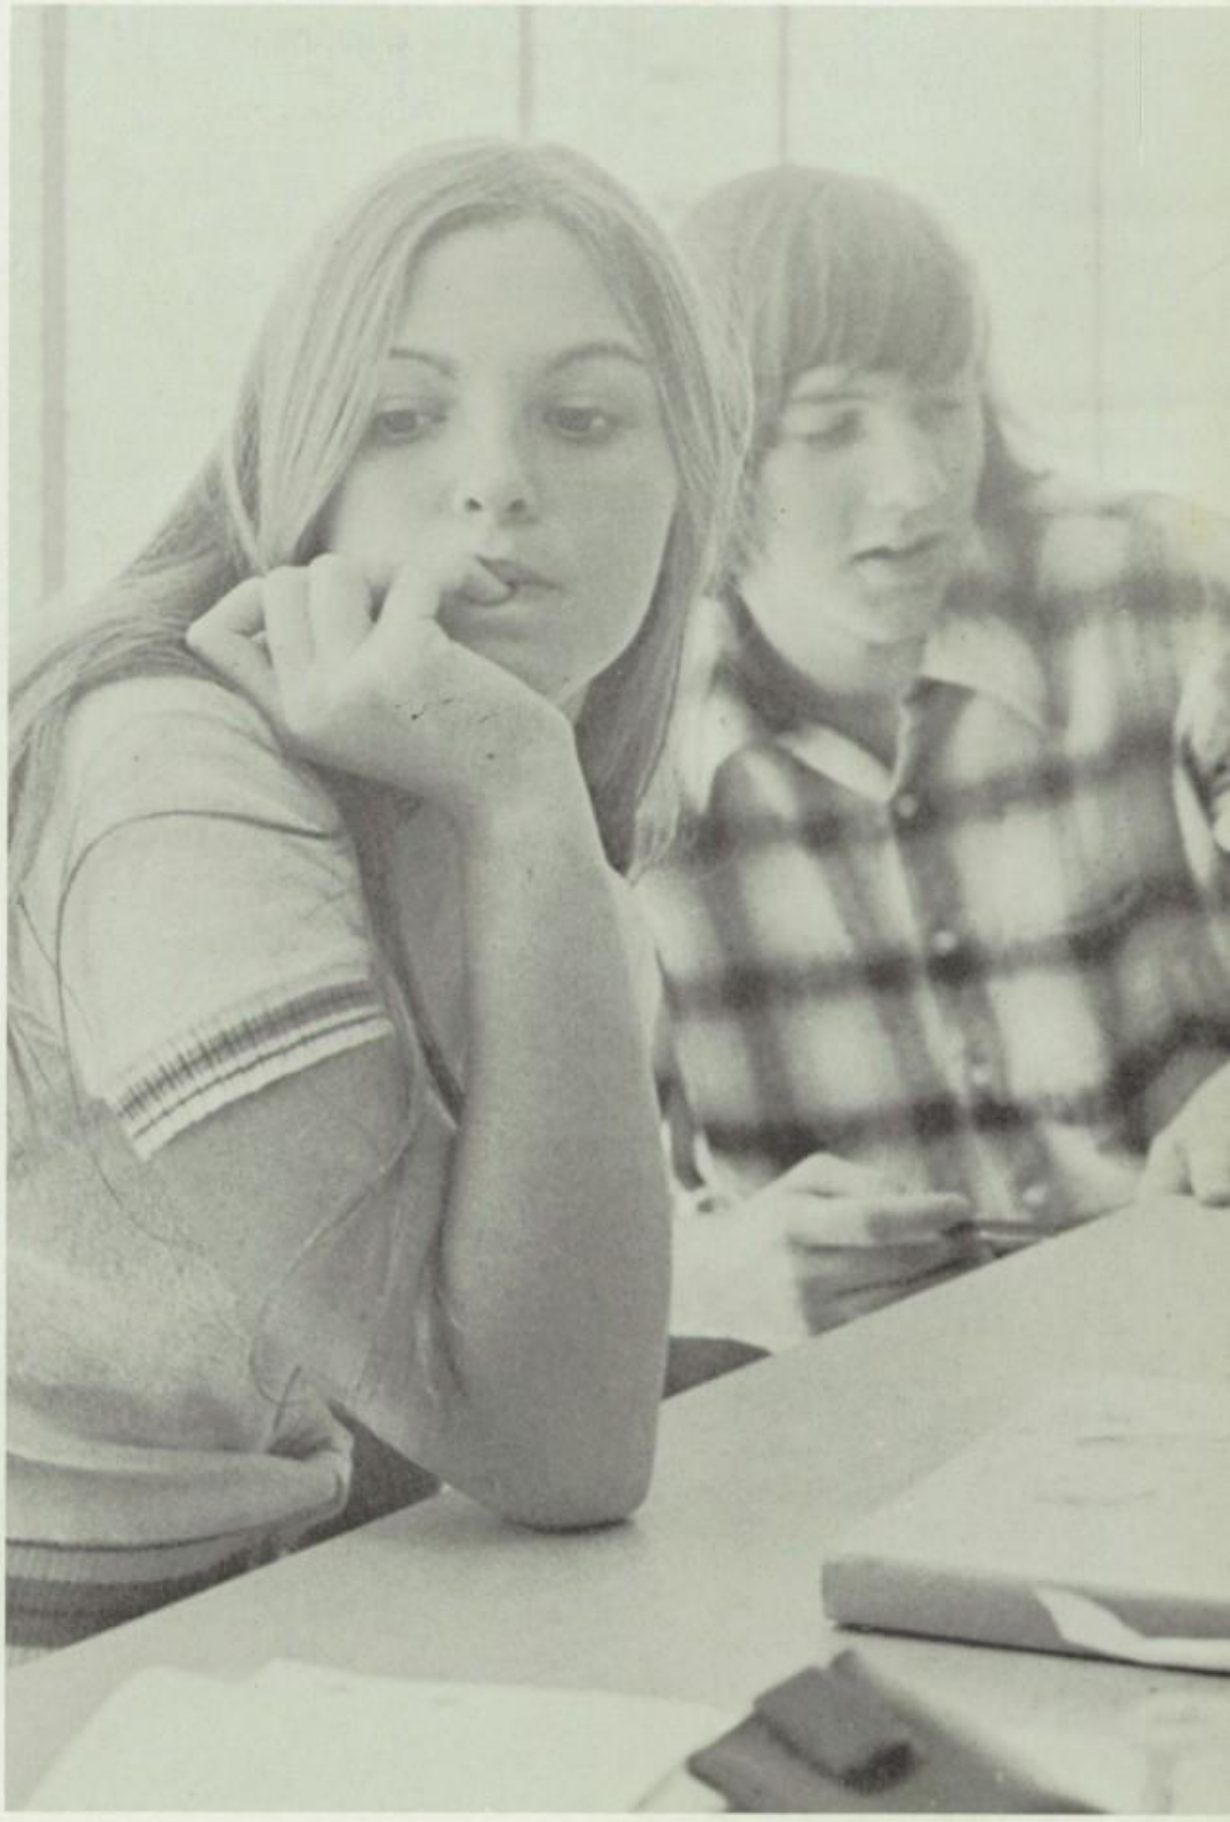
Everything Is All Right

Fifties Day

Fifties Day: for weeks posted all over the school were posters and announcements about fifties day and the dance, when everyone was supposed to come to school as they would have in the fifties.

It's been a long time since something at S.B. has been so successful. Many came to school all dressed up and practiced in classrooms for the dance at night.

A Thought Or A Smile
To Show That You Care



Homecoming 1973

The pep rally, the old cars, the floats, the court, Queen Peggy O'Brien along with Patti Dowgin, Janet Baionno, Lynn Lavenburg, and Linda Stockton, the parade, the game, and the dance, were all parts of a fantastic homecoming weekend.

Though it was freezing outside, fans and cheerleaders were still out there. To make it even more worthwhile, the Vikings won the game from Highland Park.

Everyone who was involved had a great Homecoming weekend 1973.

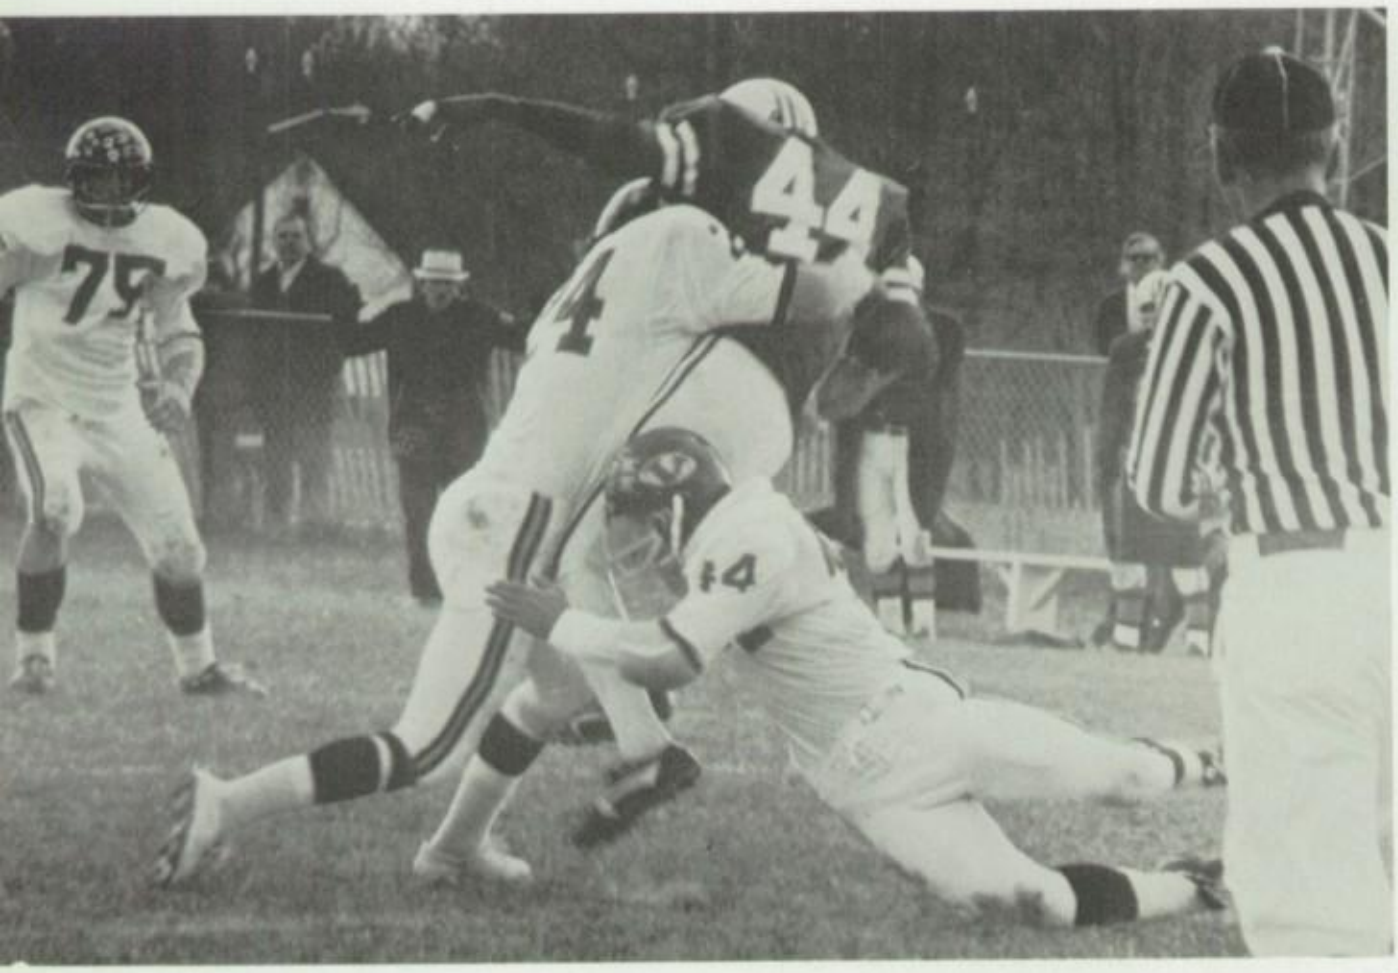
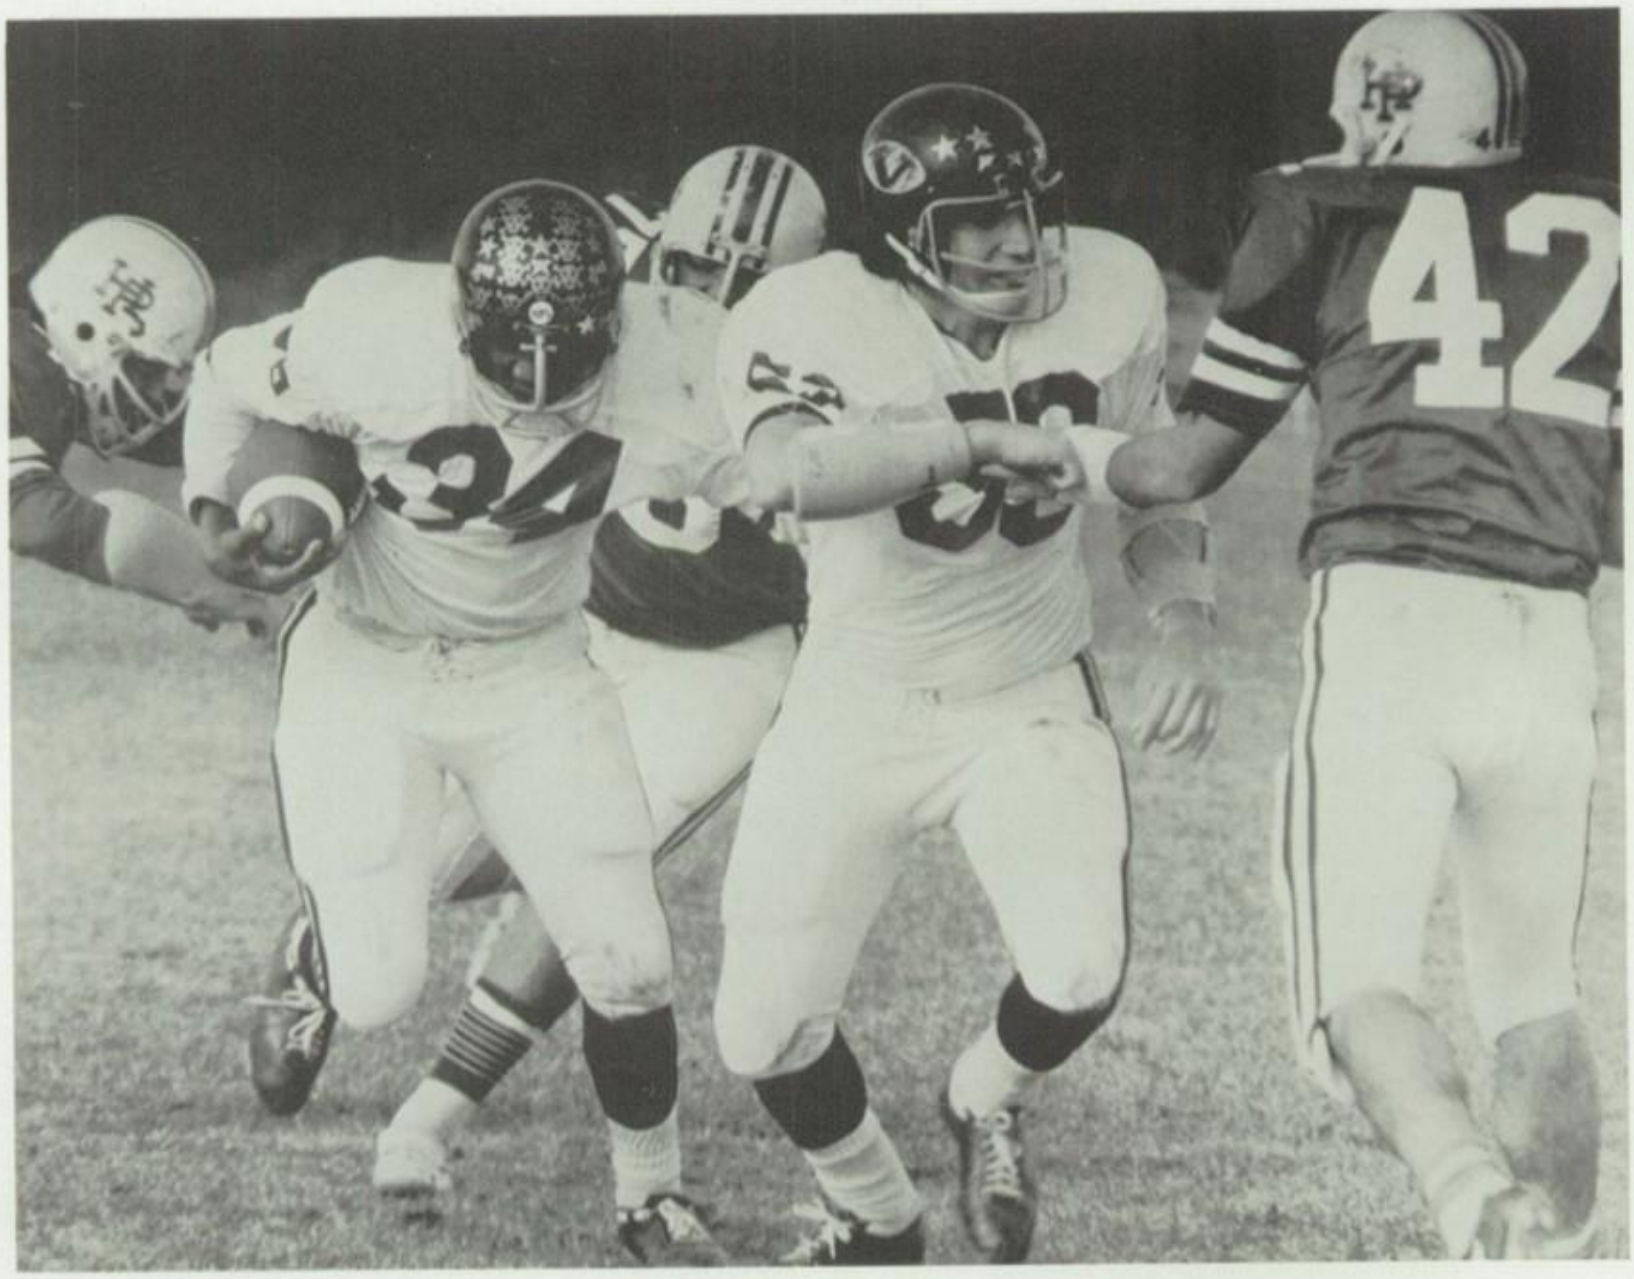
The Parade

Queen Peggy O'Brien And Court

And Last, But Not Least, The Game



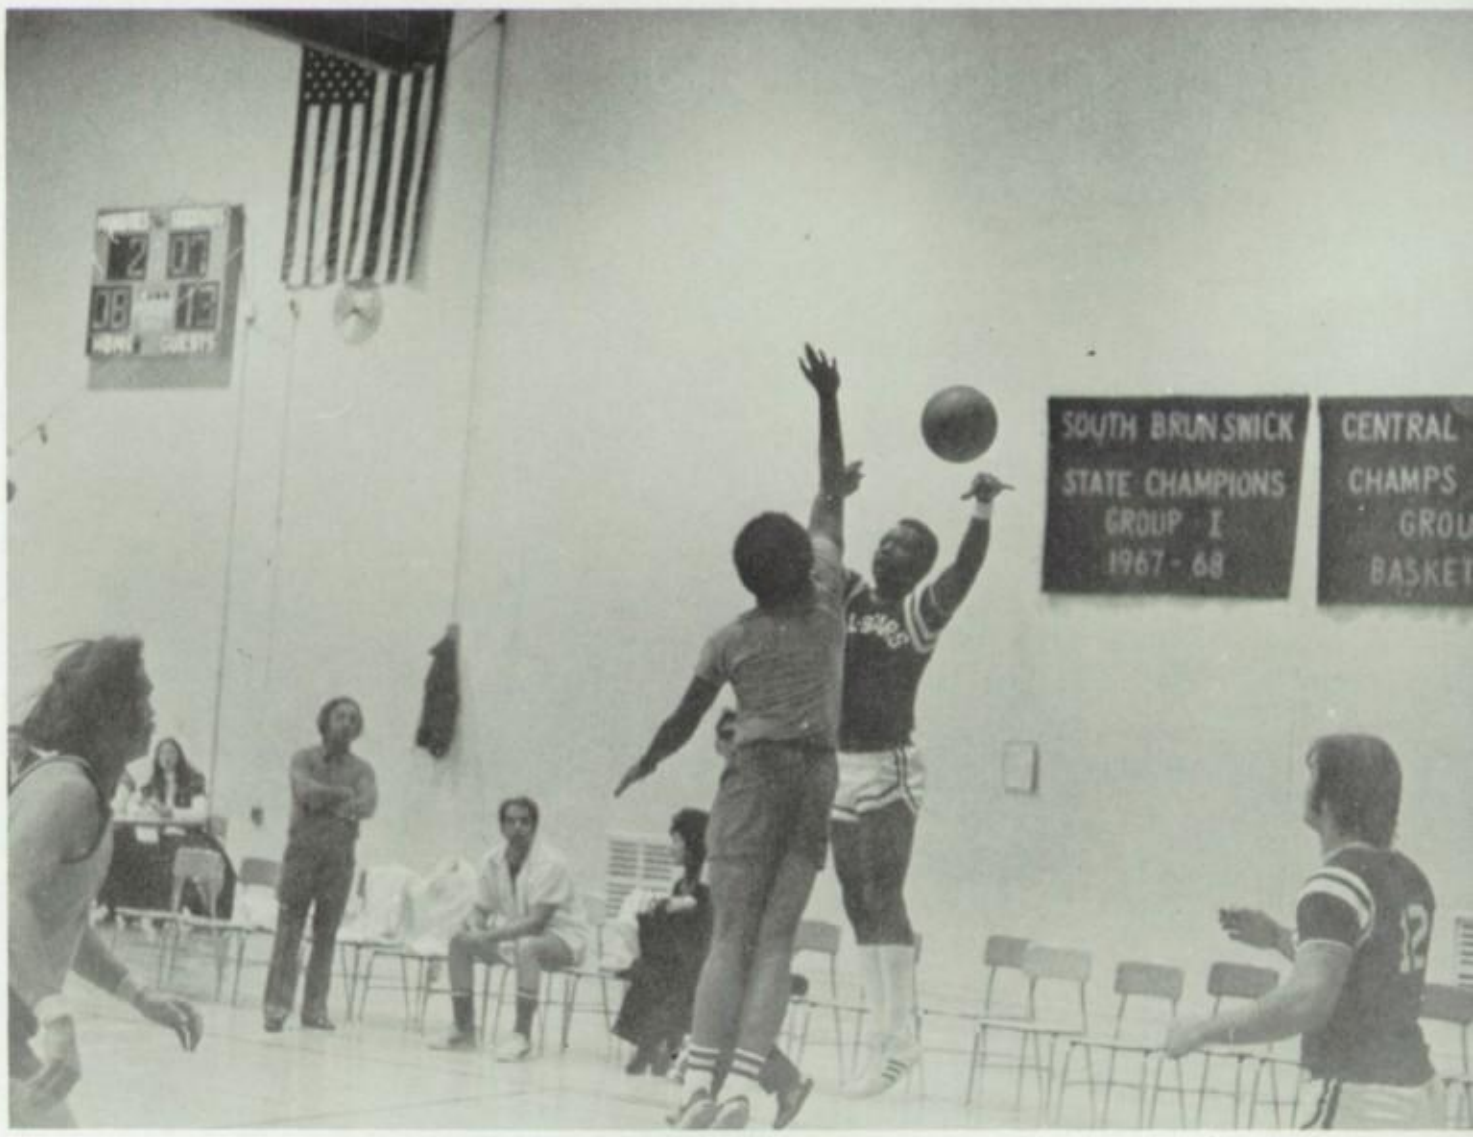


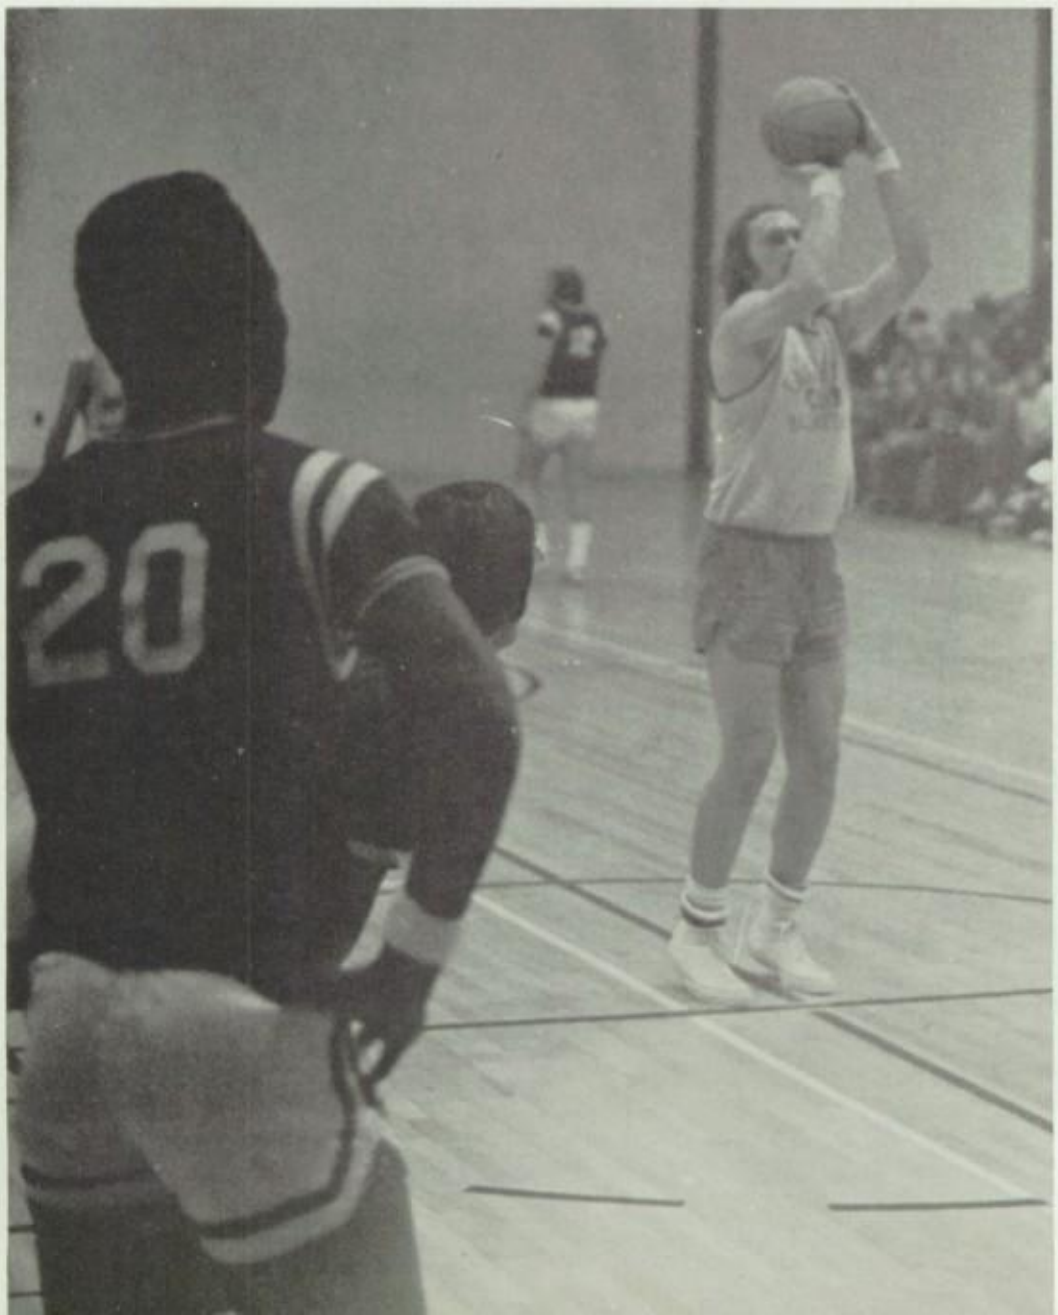
Vikings win the Homecoming game against Highland Park with a score of 21-0.

Season closes with only one loss.

With a season like that, it's obvious that alot of effort was put into this year's team. They did a great job and are hopeful that next year's team will follow in the footsteps of the 1973 football team.

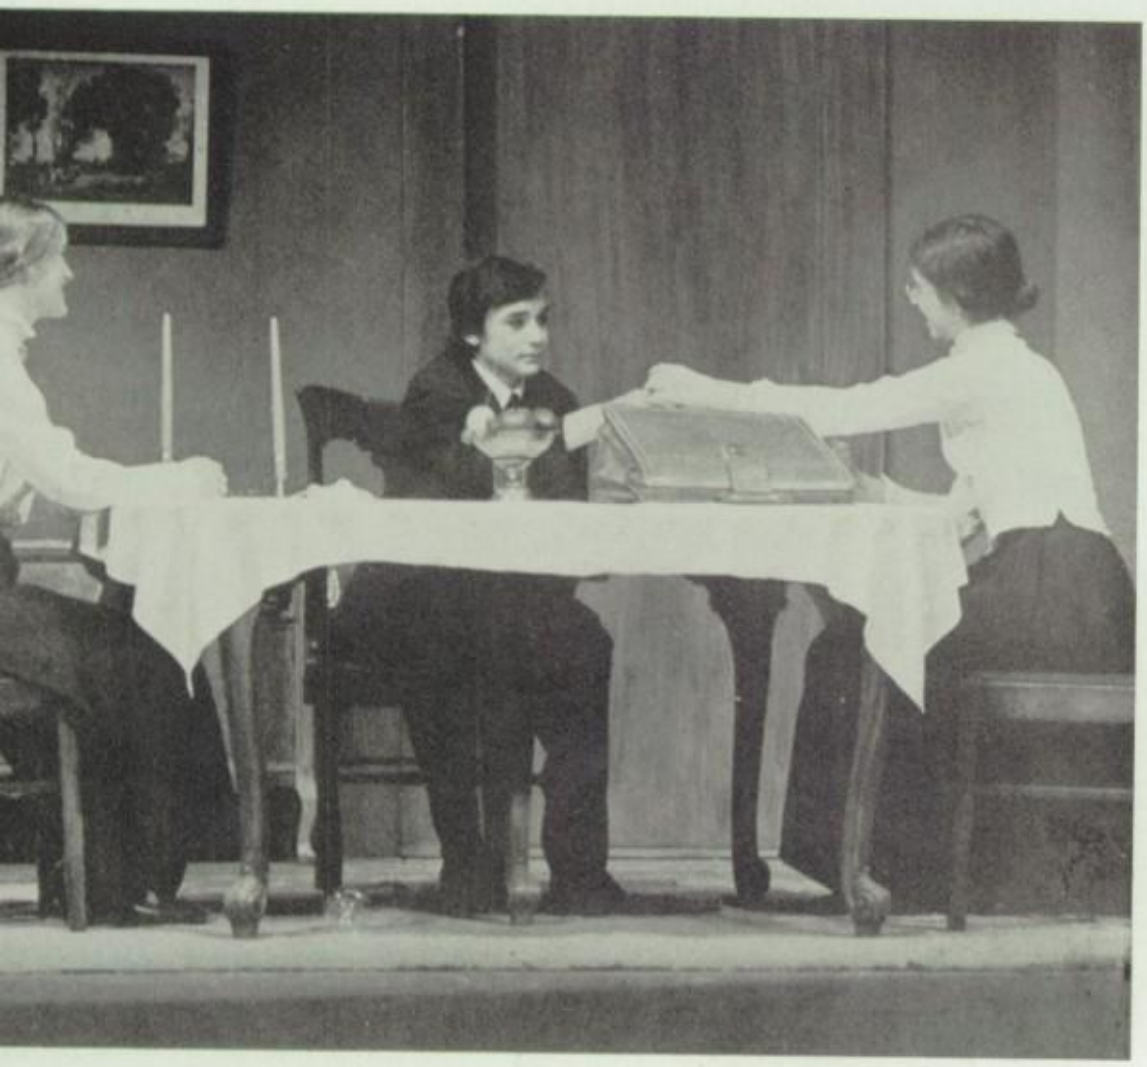
Coaches Lose To All Stars





The 1973 Coaches-All-Stars game was really an expected loss. That is not to say that the response wasn't large, and the game wasn't a lot of fun.

The Play
Arsenic And Old Lace



Audiences aren't like they used to be. Three hundred people at Arsenic and Old Lace. The play, was basically about a couple of old women in Brooklyn who felt that they were doing male visitors a favor by killing them.

The play did make a profit, but the director Churchill Clark and the members of the cast, hope for larger future audiences.

The Viking trackmen suffered a disappointing campaign on the winter track schedule.

The 0-6 record is not a true indication of the competition exhibited throughout the season.

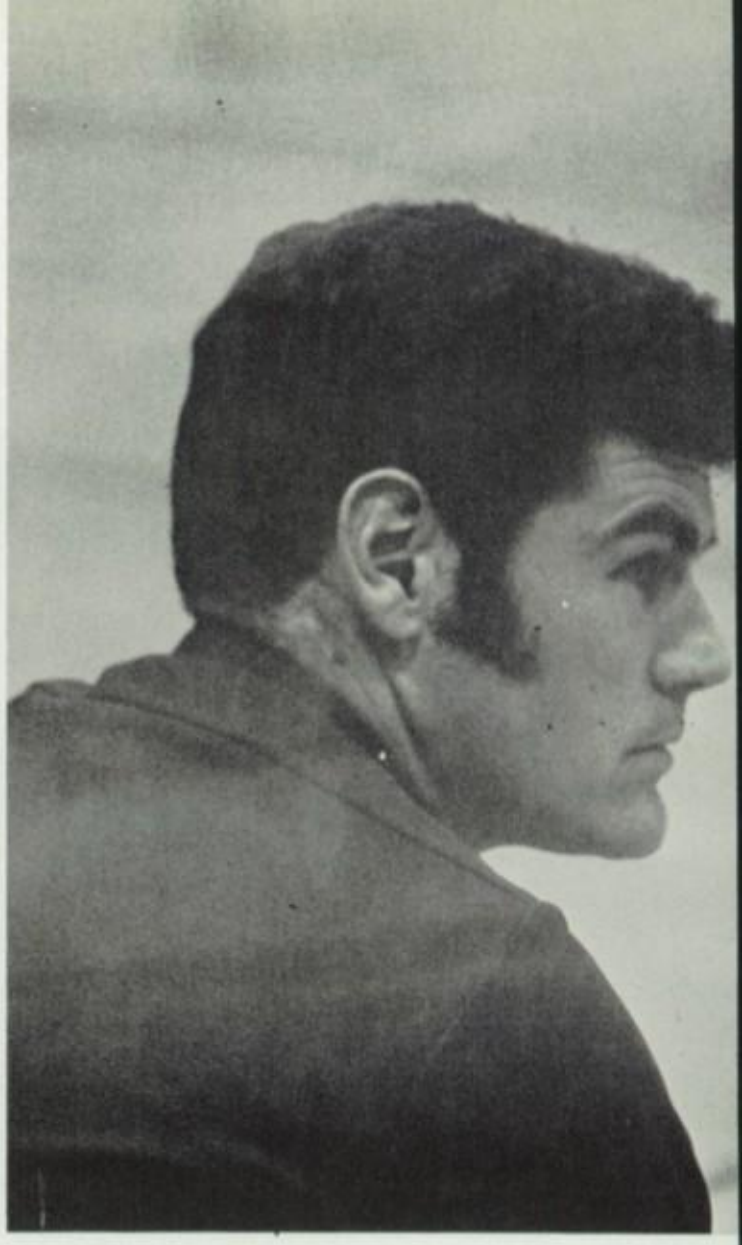
Although the Vikings suffered through several heartbreaking losses the Relay teams were exceptionally strong.

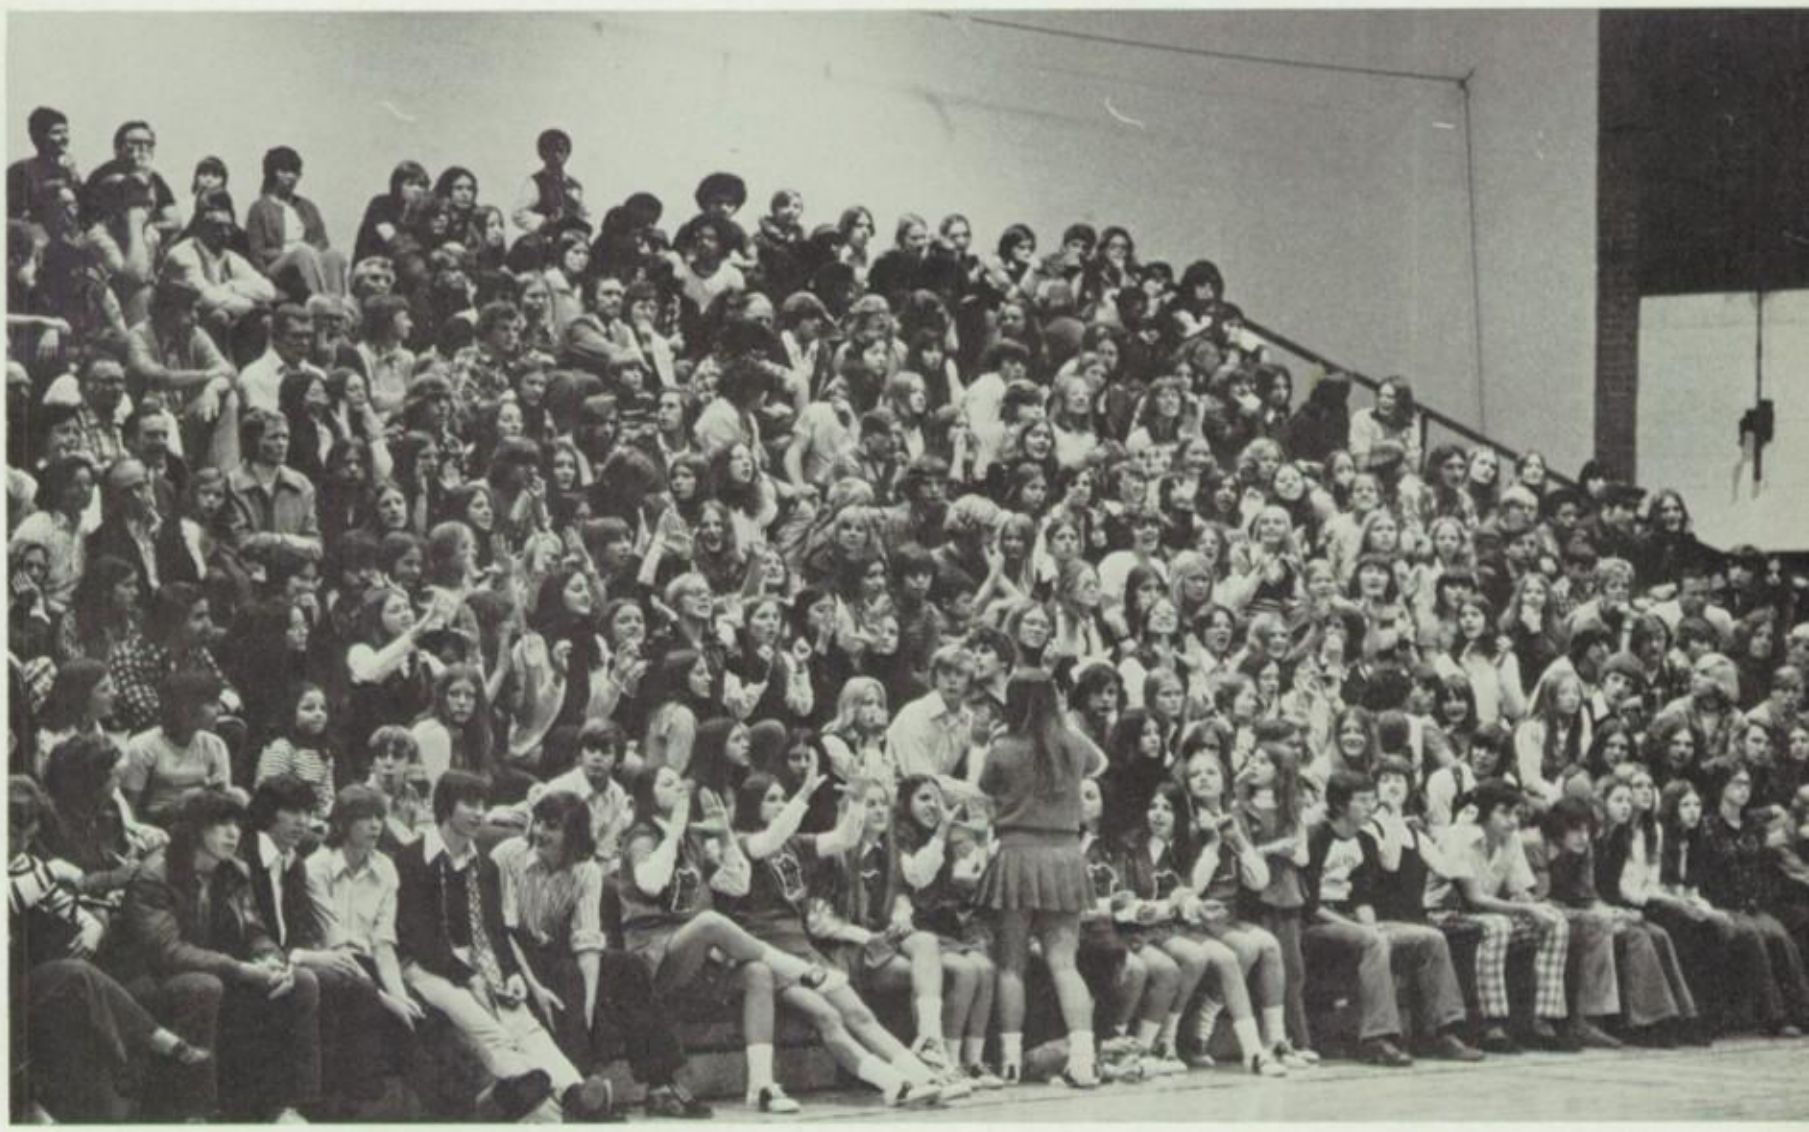
Despite strength in these and other events, the overall lack of depth proved to be the eventual downfall of this spirited team.

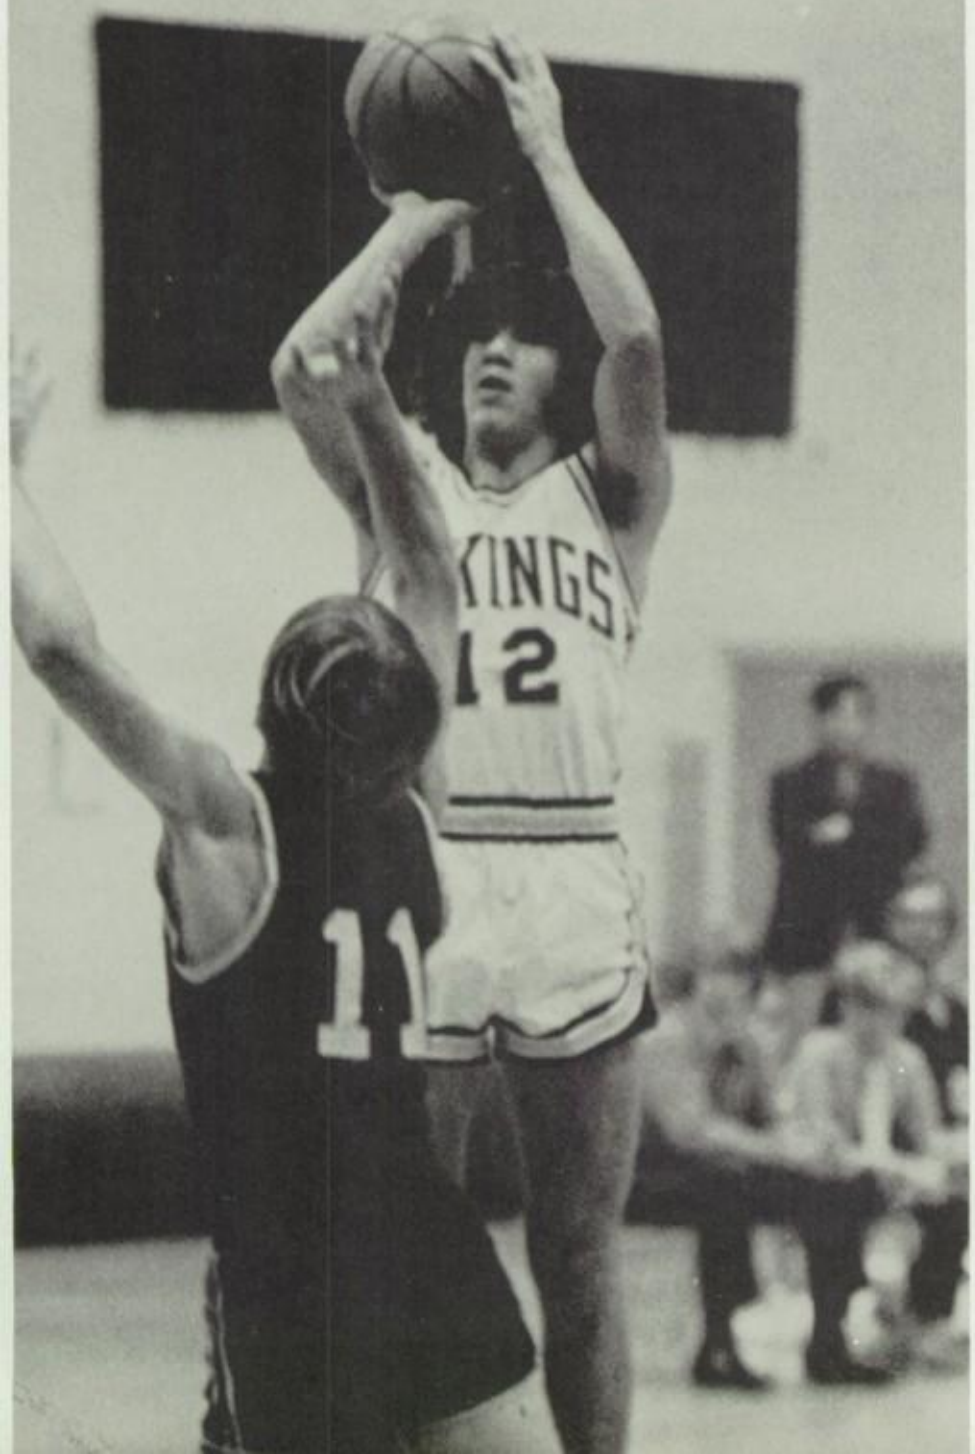
Returning lettermen are, Dave Young, Art Runyon, Carlos Pignato, Dave Daniels, Pete Medell.

New Members consist of Tony Long, Jimmy Long, Dave Keys, Dennis Bpsen, Stephen Wurmbrand, Rich Giannandrea, Cheryl Van'Luvander, Ed Harris.

Team Breaks Record With 20 Wins







South Brunswick Basketball Team ended the season with the breaking of two school records, the Vikings had 11 wins in a row, and they won the most games in the season which is 20 games.

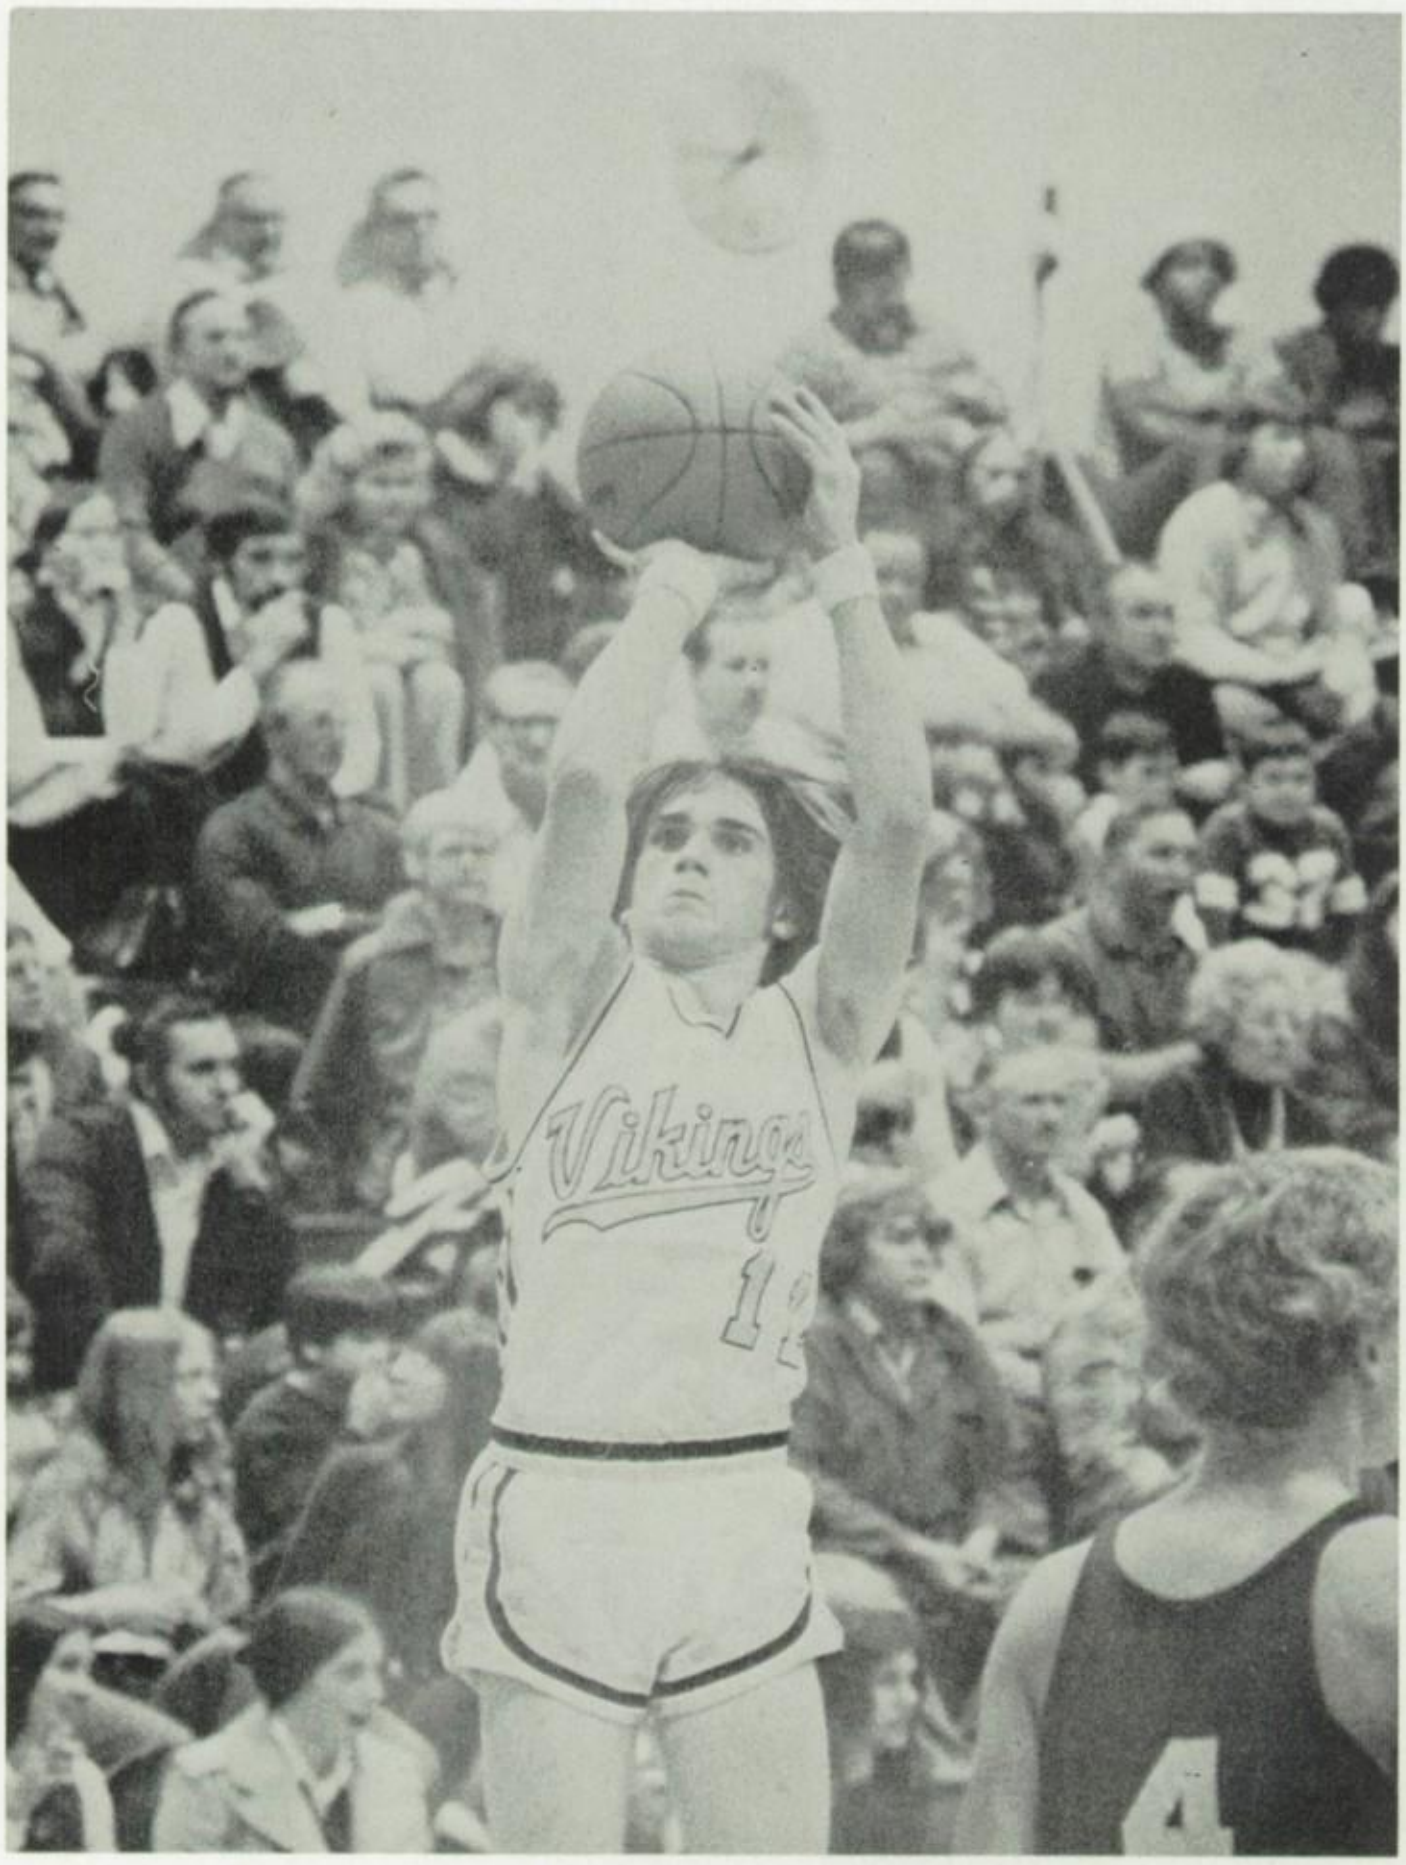
The team is presently in the Central Jersey Group II State Championship.

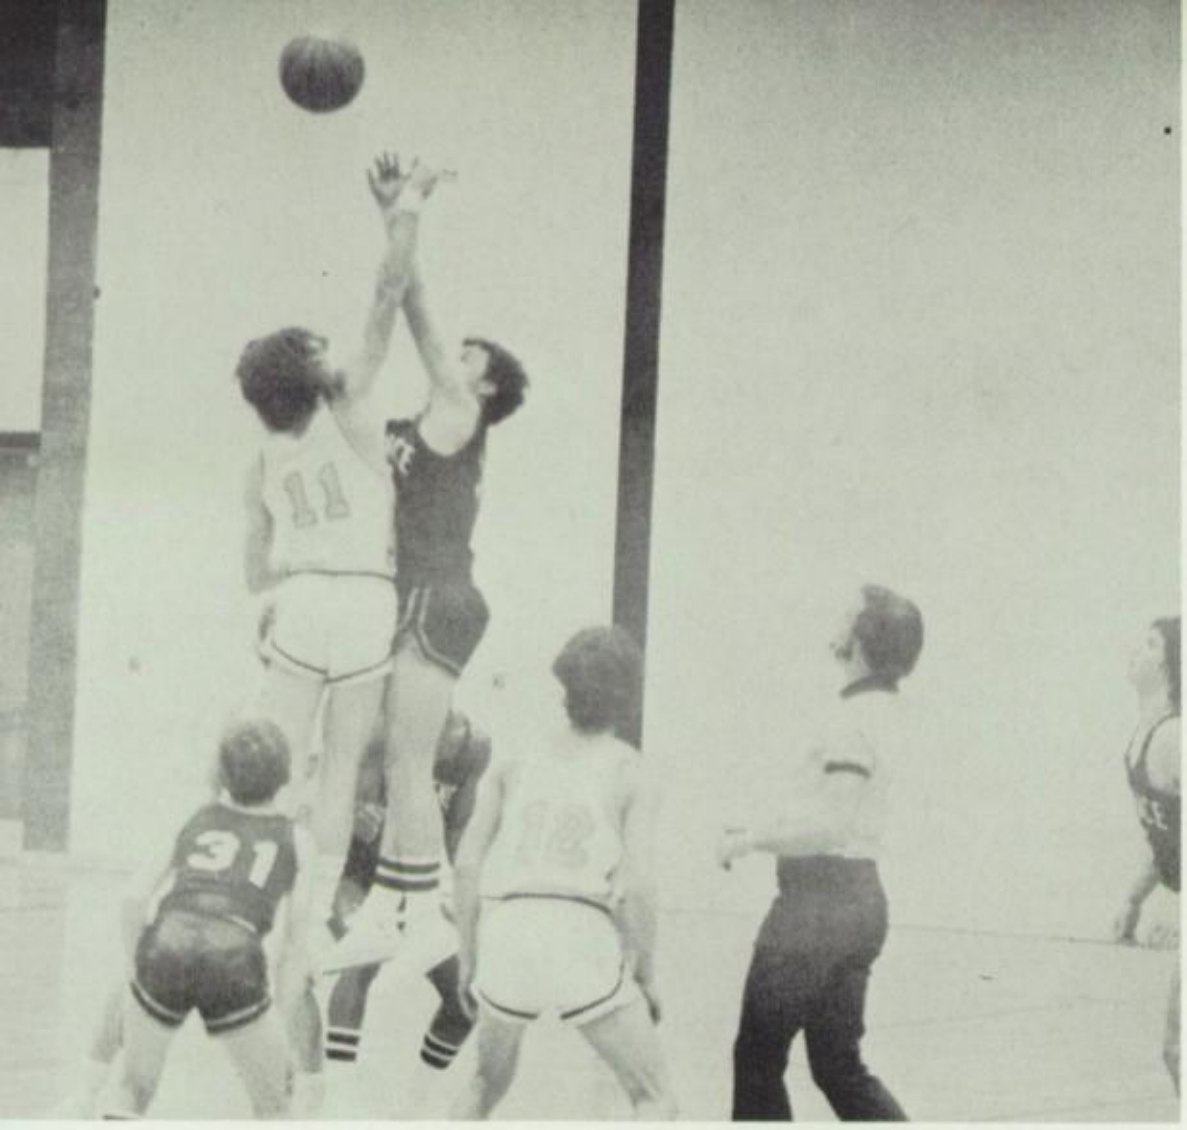
The record to date is 20-5.

Vikings are led by Capt. Don Kilburn, Tom Mc'Intyre, Bill Sherman, Bob Kufka, and Dave Palmer, Mike Hopkins, Norman Black, Greg Simmon and Dave Cosumano.

Also drawing credit for a successful season are Head Coach Al Balcomb, and assistant Coach W. Titterington, and W. Hewitt.

J.V. Team Shows





Promise For The Future

This year's Team compiled a 12-8 record.

The Team showed much hustle and desire which resulted in a fine year.

The Team improved constantly throughout the year.

Coached by Mr. Titterington the members are: Elliot Runyon, Kurt Thompson, Dave Kilburn, Jan Blazewski, Dwight Hayes, Matt Lyons, Jerry McFarland, Don Galvano, Doug Lavenburg, Tom Baionno, Mike Jennings, John Clute, Andy Feldman, Bruce Roberts, Bob Romano.

Girls Hustle To The Top

BASKETBALL

The Vikingettes compiled an 8-7 basketball log and established school records for most victories and total points in a single season. The girls scored 635 points, an average of 42.3 points per game, also a school record.

The eight victims of the Vikingettes were Hopewell Valley, Highland Park twice, St. Mary's of South Amboy, Metuchen, Burlington, North Burlington, and Edison.

The Junior Varsity won its first five games and finished the season with eight wins and five losses, two school records for the reserves. Among the eight victims were Franklin, Ewing, J. P. Stevens, Metuchen, and East Brunswick. One of the deficits was an exciting but disappointing 40-38 loss to Highland Park in an incredible six overtimes.

Four varsity letter-winners are seniors and will be sorely missed next year. They are Co-Captain Maureen Ward, three-year varsity starter and leading scorer, Audrey Chase, second leading rebounder, Janine Chase, and Lori Recchia.

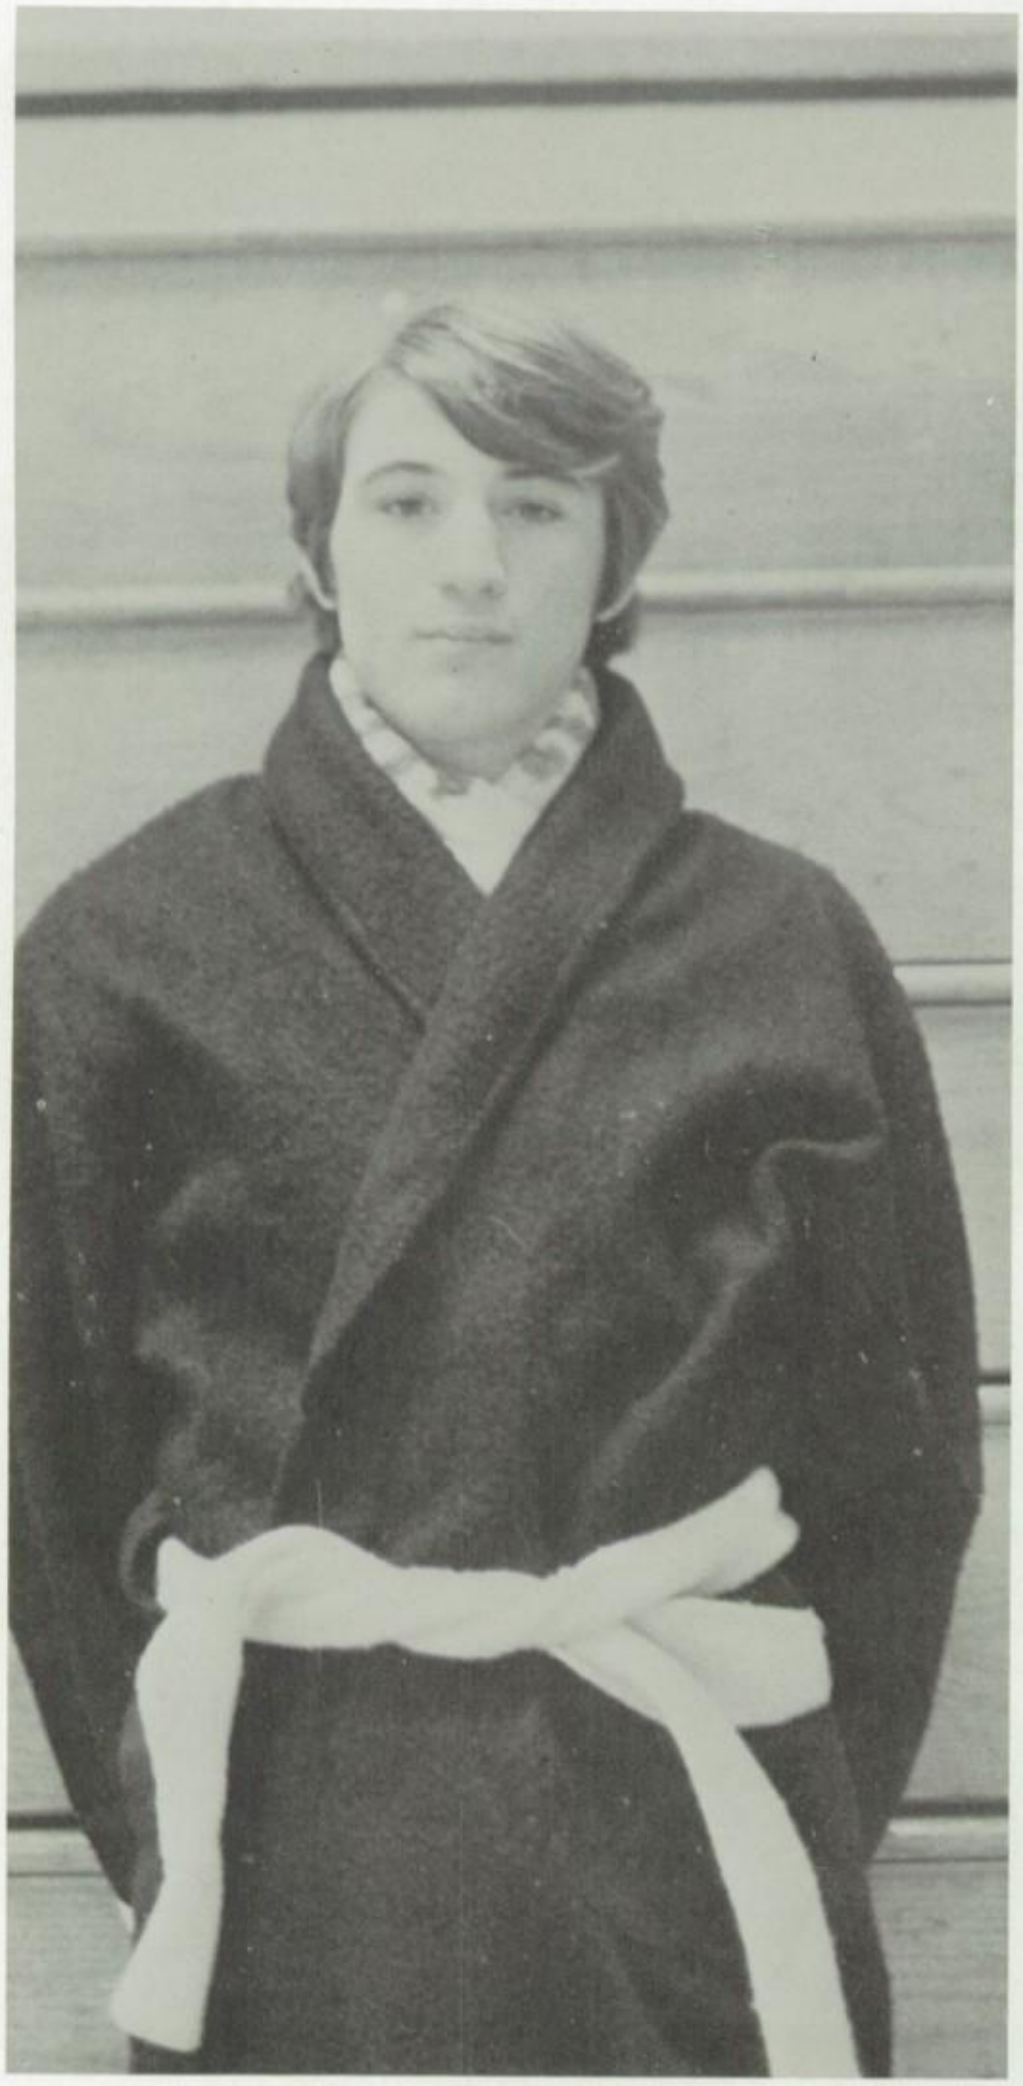
Returners are Co-Captain Sandy Domotor and Chris Hamway, second leading scorer, both juniors, sophomore Phyllis Harker, third leading rebounder, and freshmen Wendy Prouty and Helen Faulkner.

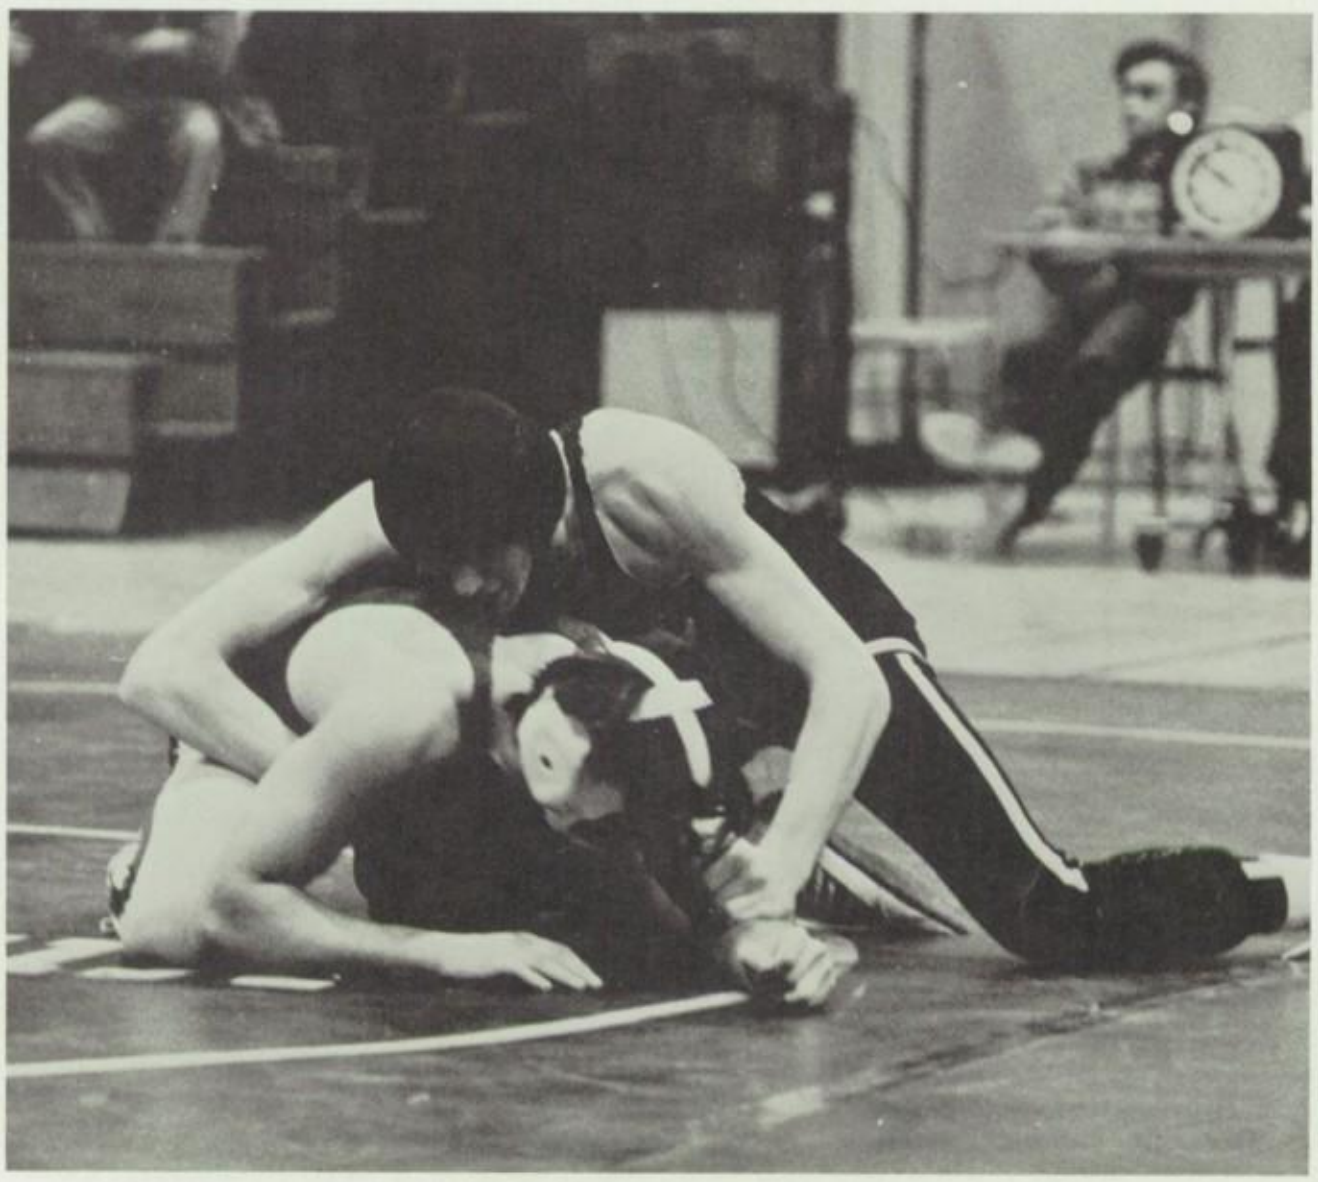
Junior varsity performers with some varsity experience and promise for the future are sophomores Diane Fjeldal and Maureen Hogan, Captain of the Jayvees, and junior Karen Gatarz. Sue Domotor and Corinne Cornish, freshmen who helped the junior varsity to the 8-5 record, are also promising candidates for next year's varsity.

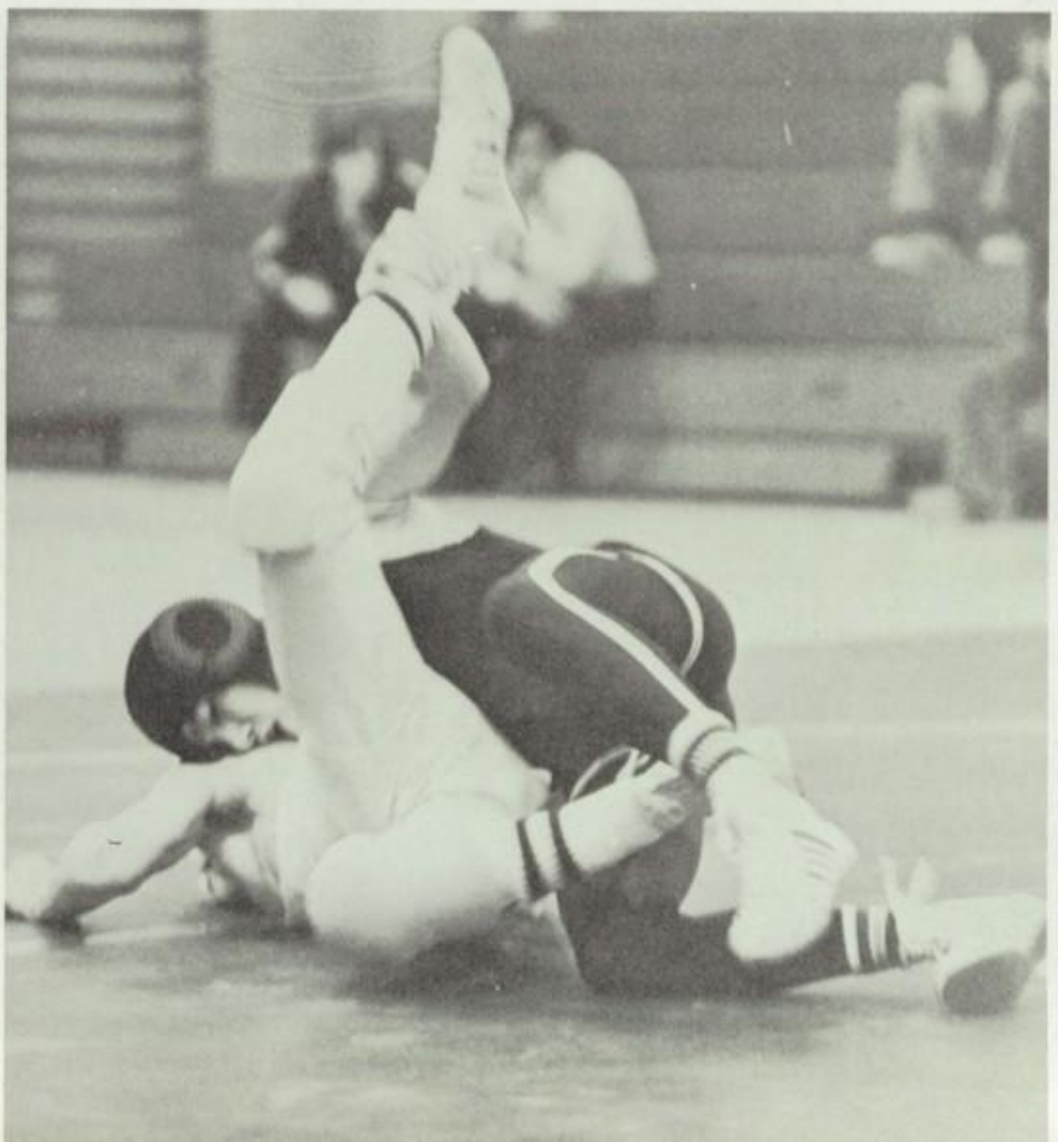
Other junior varsity performers this season were Marcia and Jana Bair, Paige Lynch, Patti Simmons, Cindy Walker, Carol Sigle, Maudie Farrow, and Carolyn Shapiro.

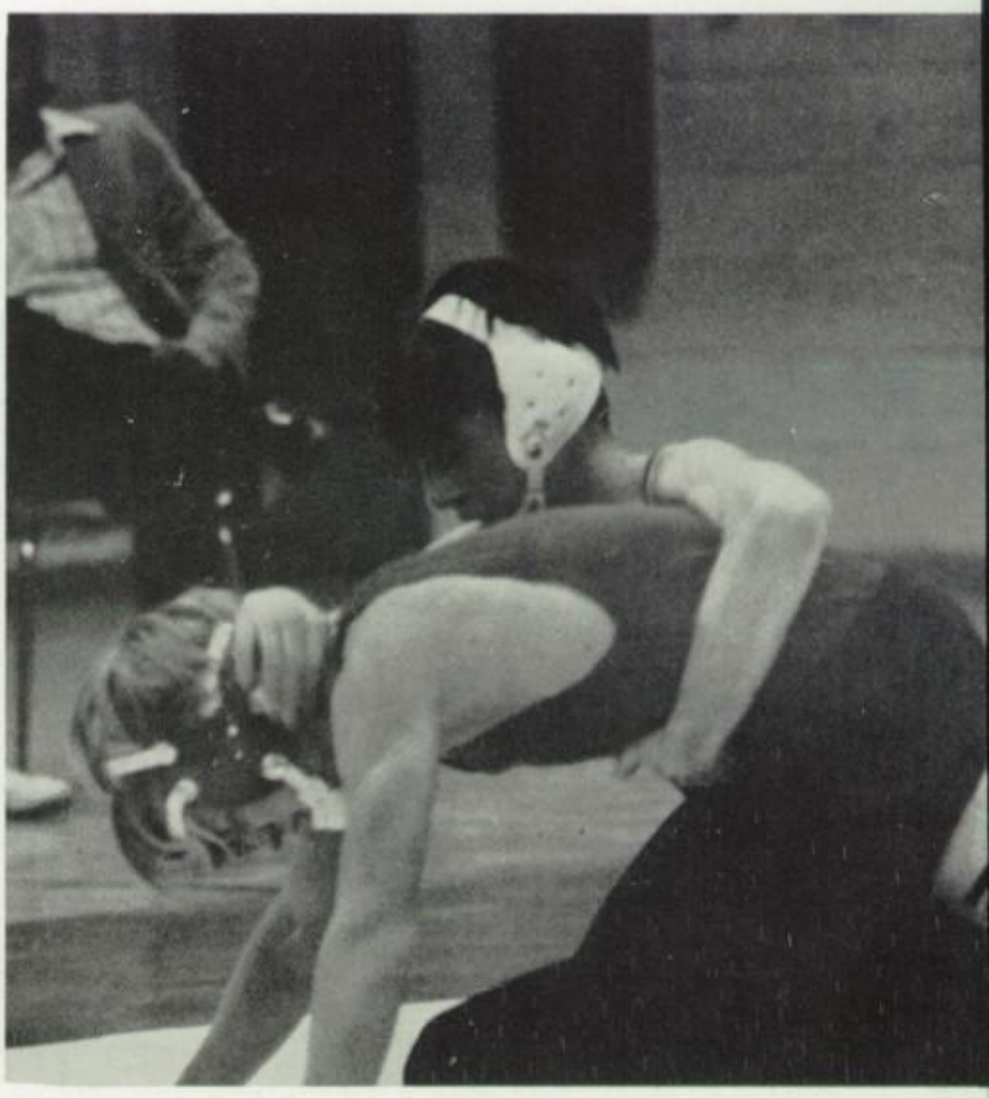
Sandy Domotor set individual school records for total points (358), total rebounds (318), per game averages (23.8 points and 21.2 rebounds), single-game scoring and rebounding (38 points and 32 rebounds against Highland Park on January 30), most times scoring in double figures (14 of 15 games), most times scoring 20 or more points (12 of 15), and most times with 15 or more rebounds (all 15 games).

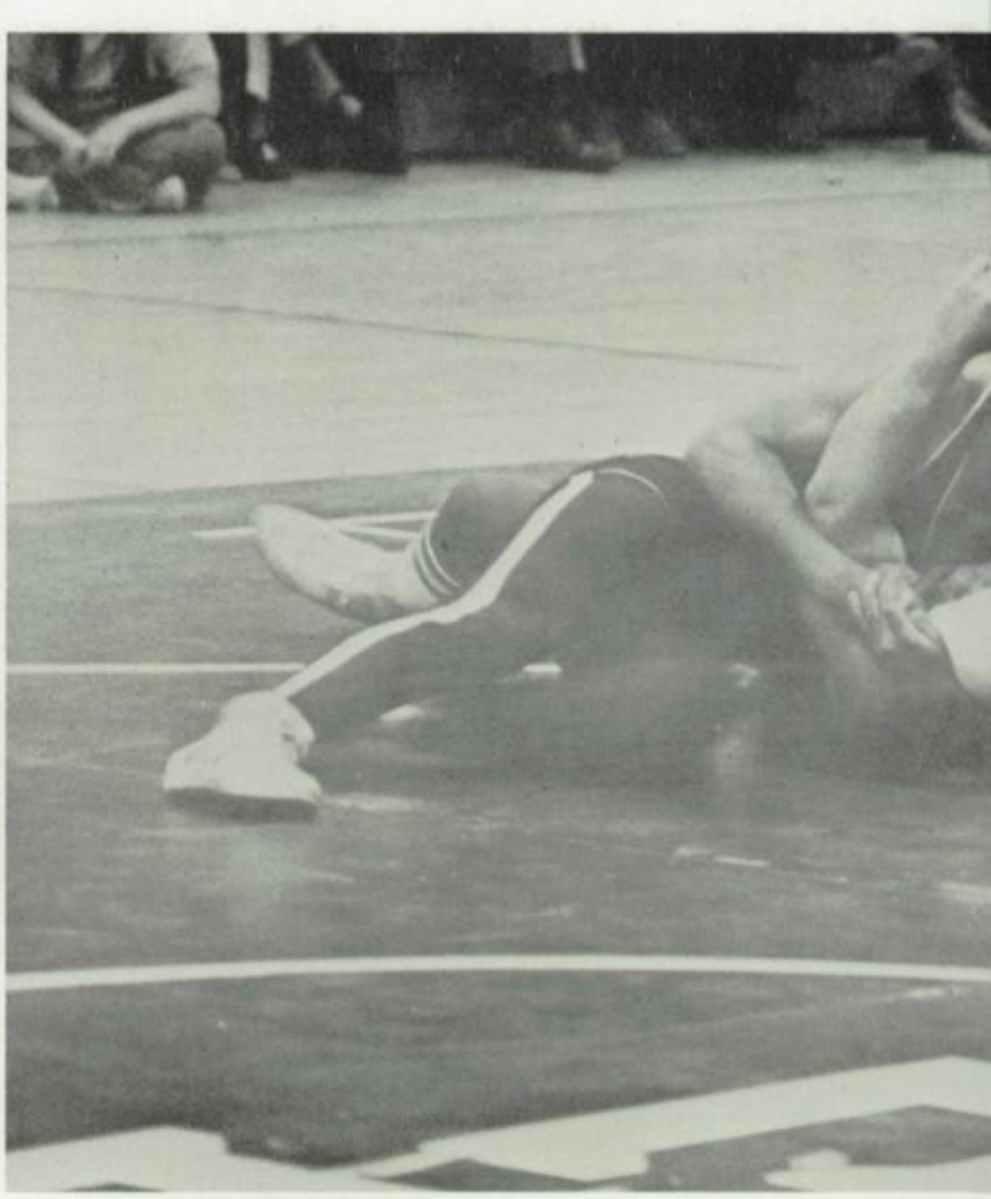
Wrestling

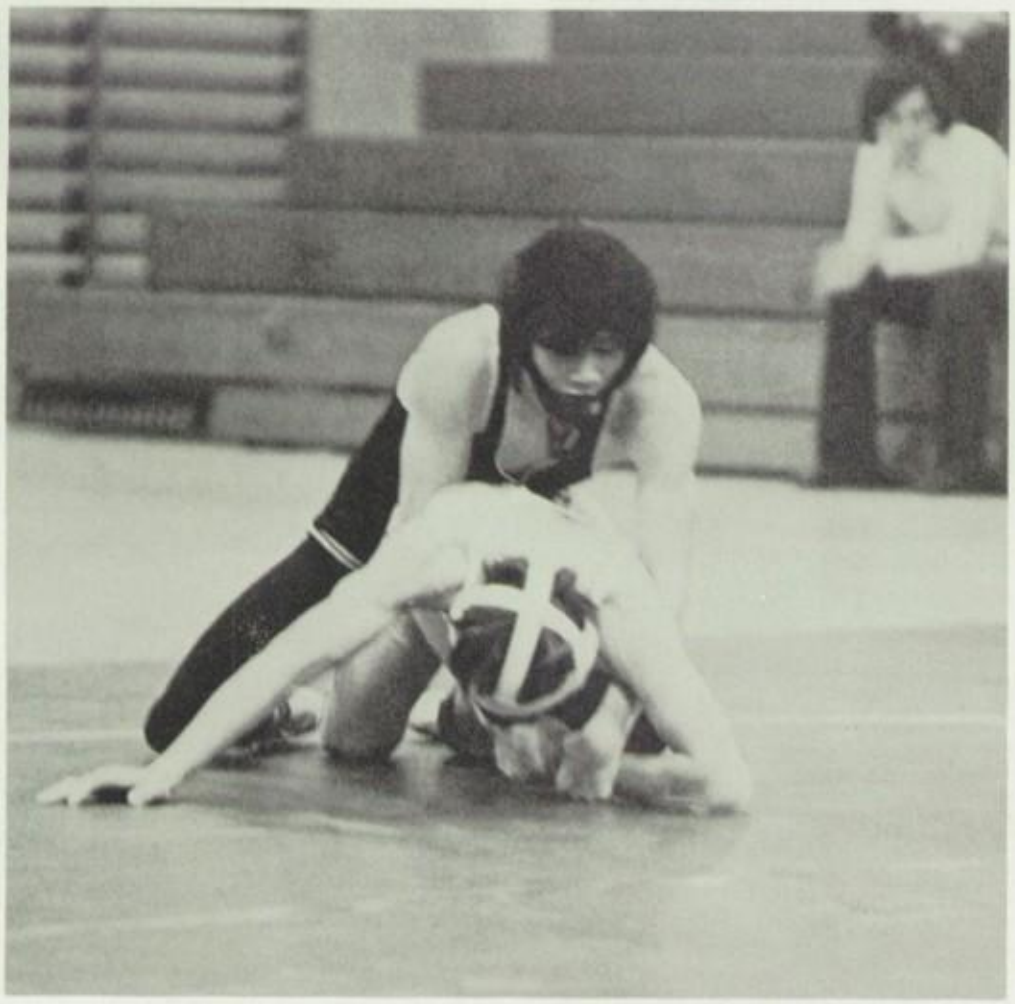












South Brunswick Matmen end this season with 10 wins and 1 loss.

The Vikings were the C.I. Champions; they placed second in D.V.L. third in the county and third in districts.

Dual Meet Records: William Hayes (101) 9-2-0, Steve Mifsud (108) 10-0-0, Joe Bernard (115) 8-1-0, Barry Kessler (122) 11-0-0, Rich Goeke (129) 7-3-1, Tom Levanthal (135) 9-3-0, Jon Starr (141) 9-2-0, Greg Engle (148) 7-1-0, Malcolm Wallace (118) 6-1-0, Marc Rubenstein (H.W.T.).

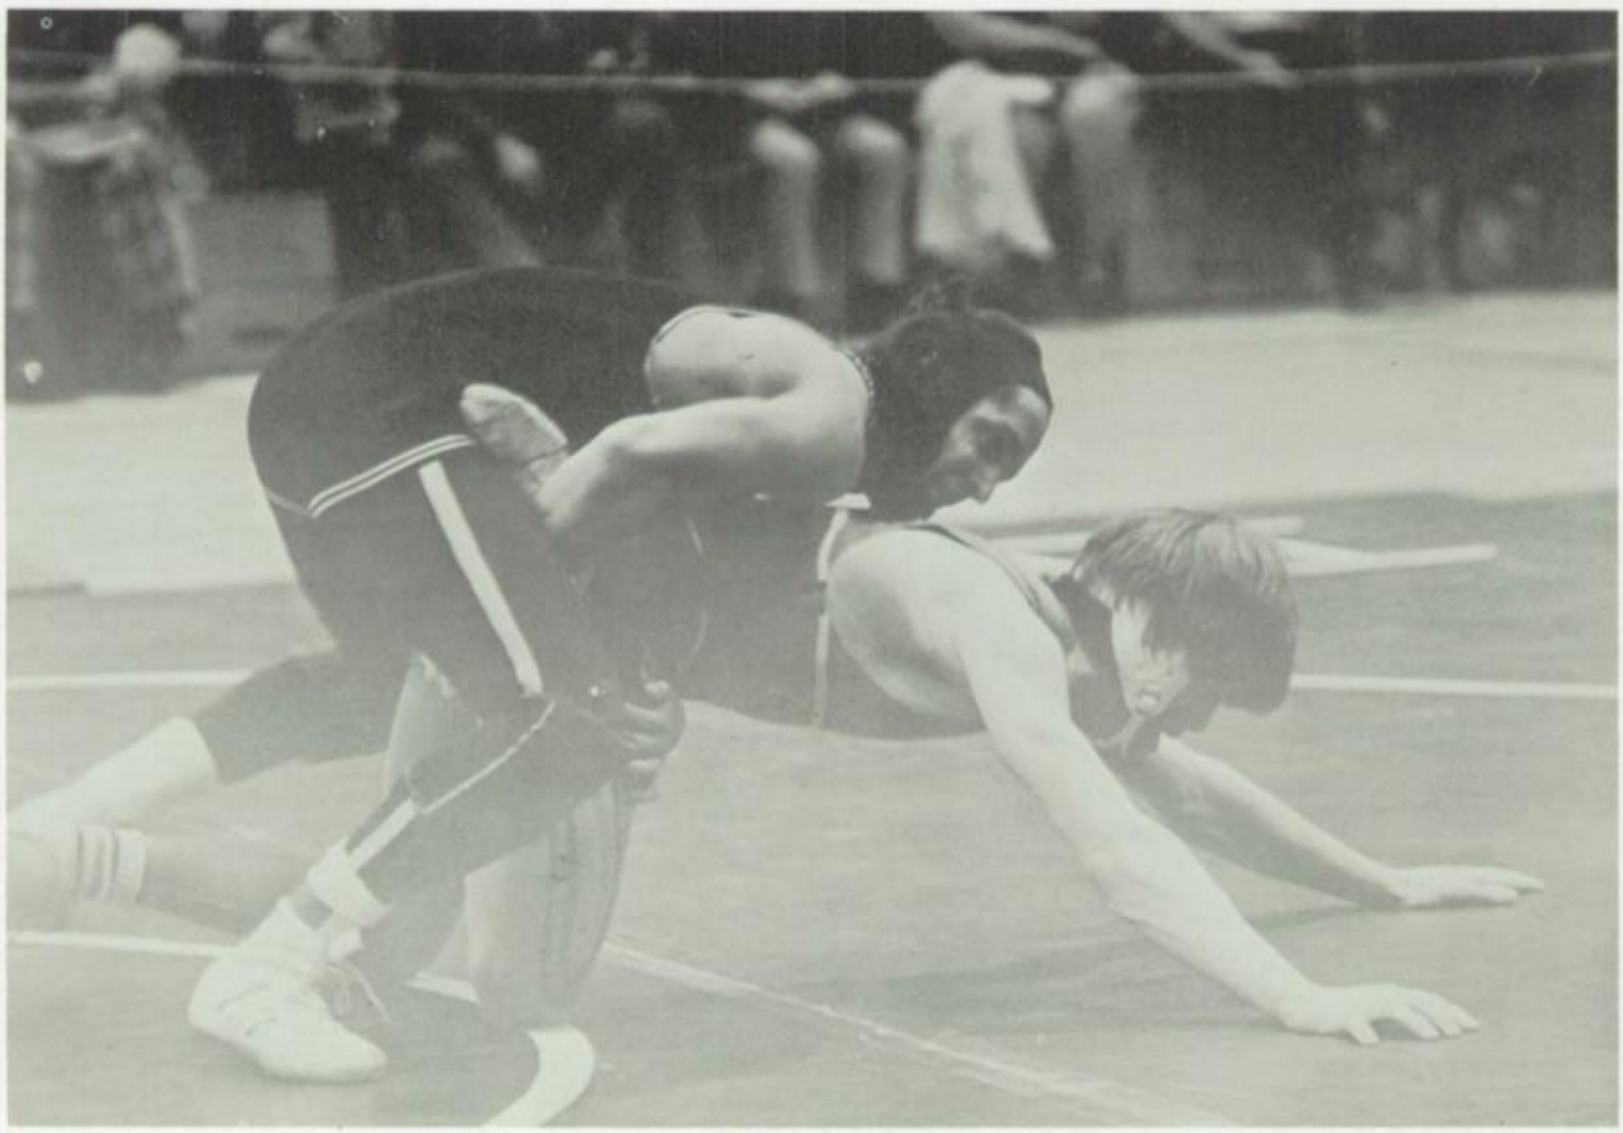
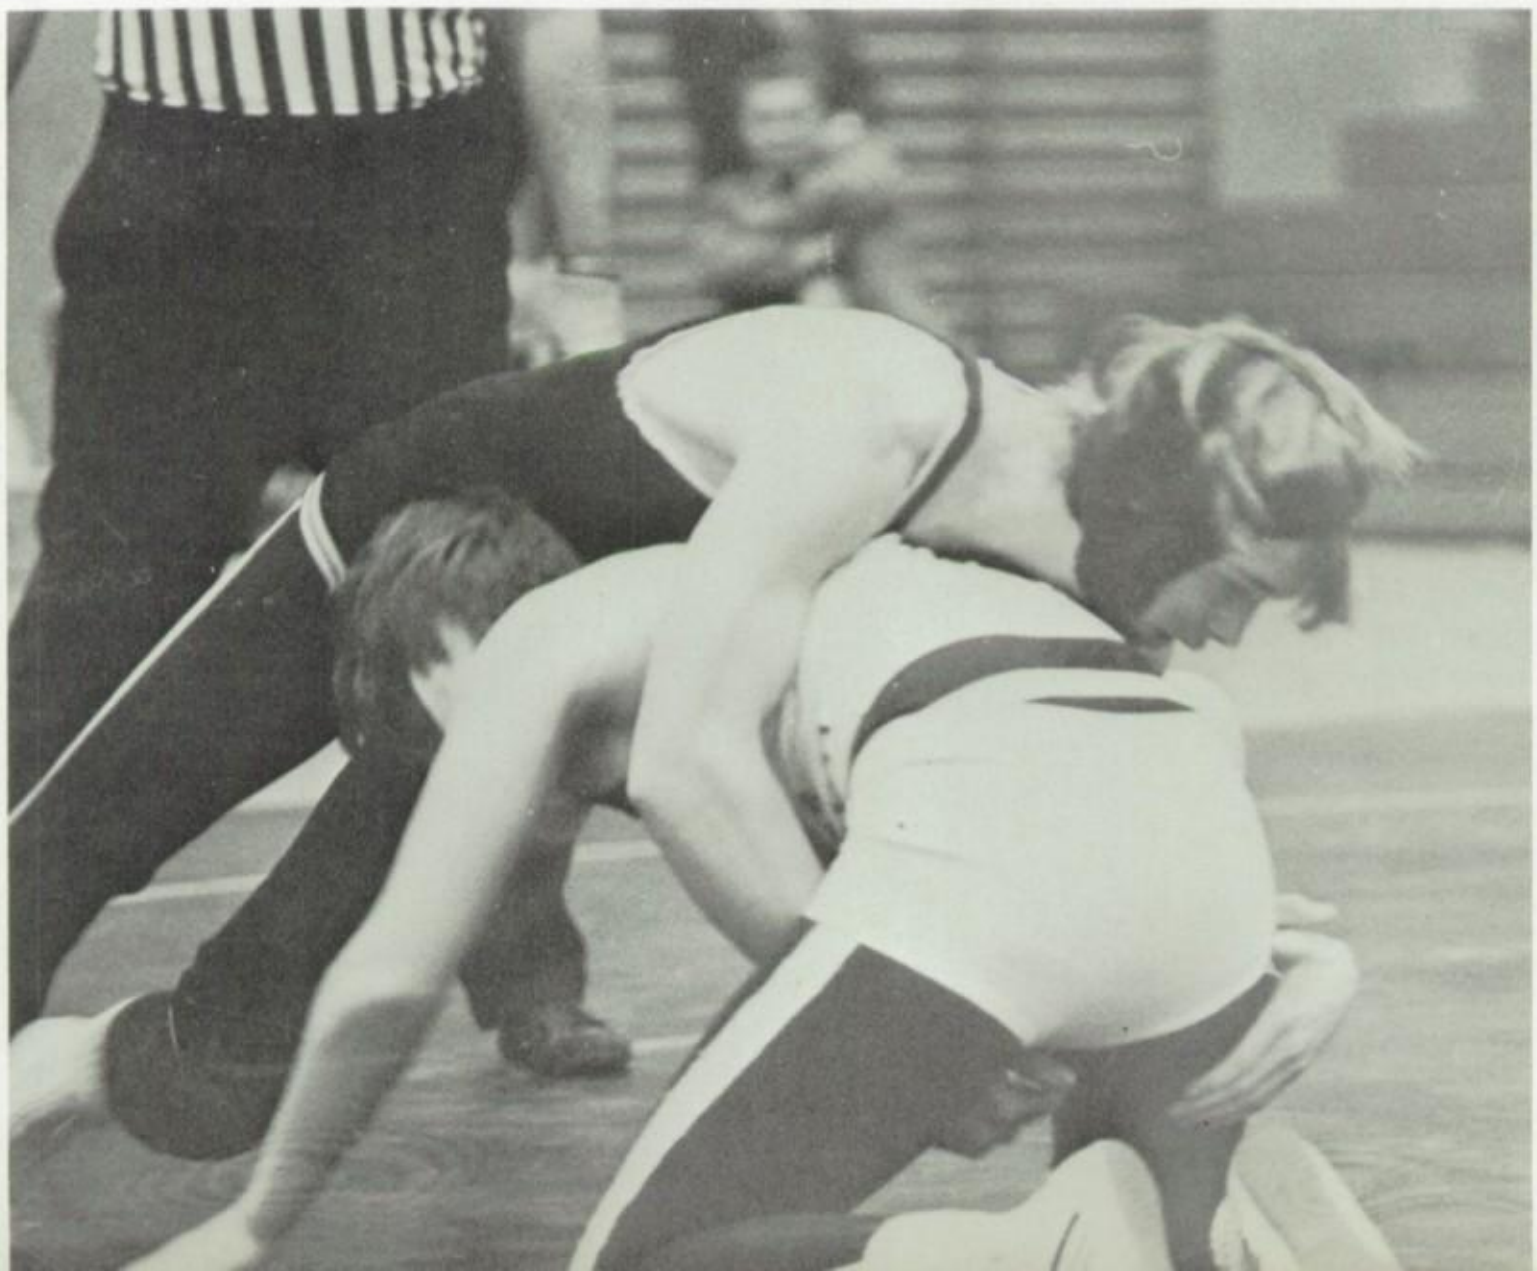
The Tourney's Up





The Tournament ended with Joe Bernard placing 3rd in the Districts, Steve Mifsud and Jon Starr placing 2nd in the Districts.

Special recognition should be given to Senior and Capt. Barry Kessler. Barry finished 2nd in the Regions and he is the only wrestler in the school's history who went as far as the States. Barry ended this season with a 20-1 record.

VIKING
12

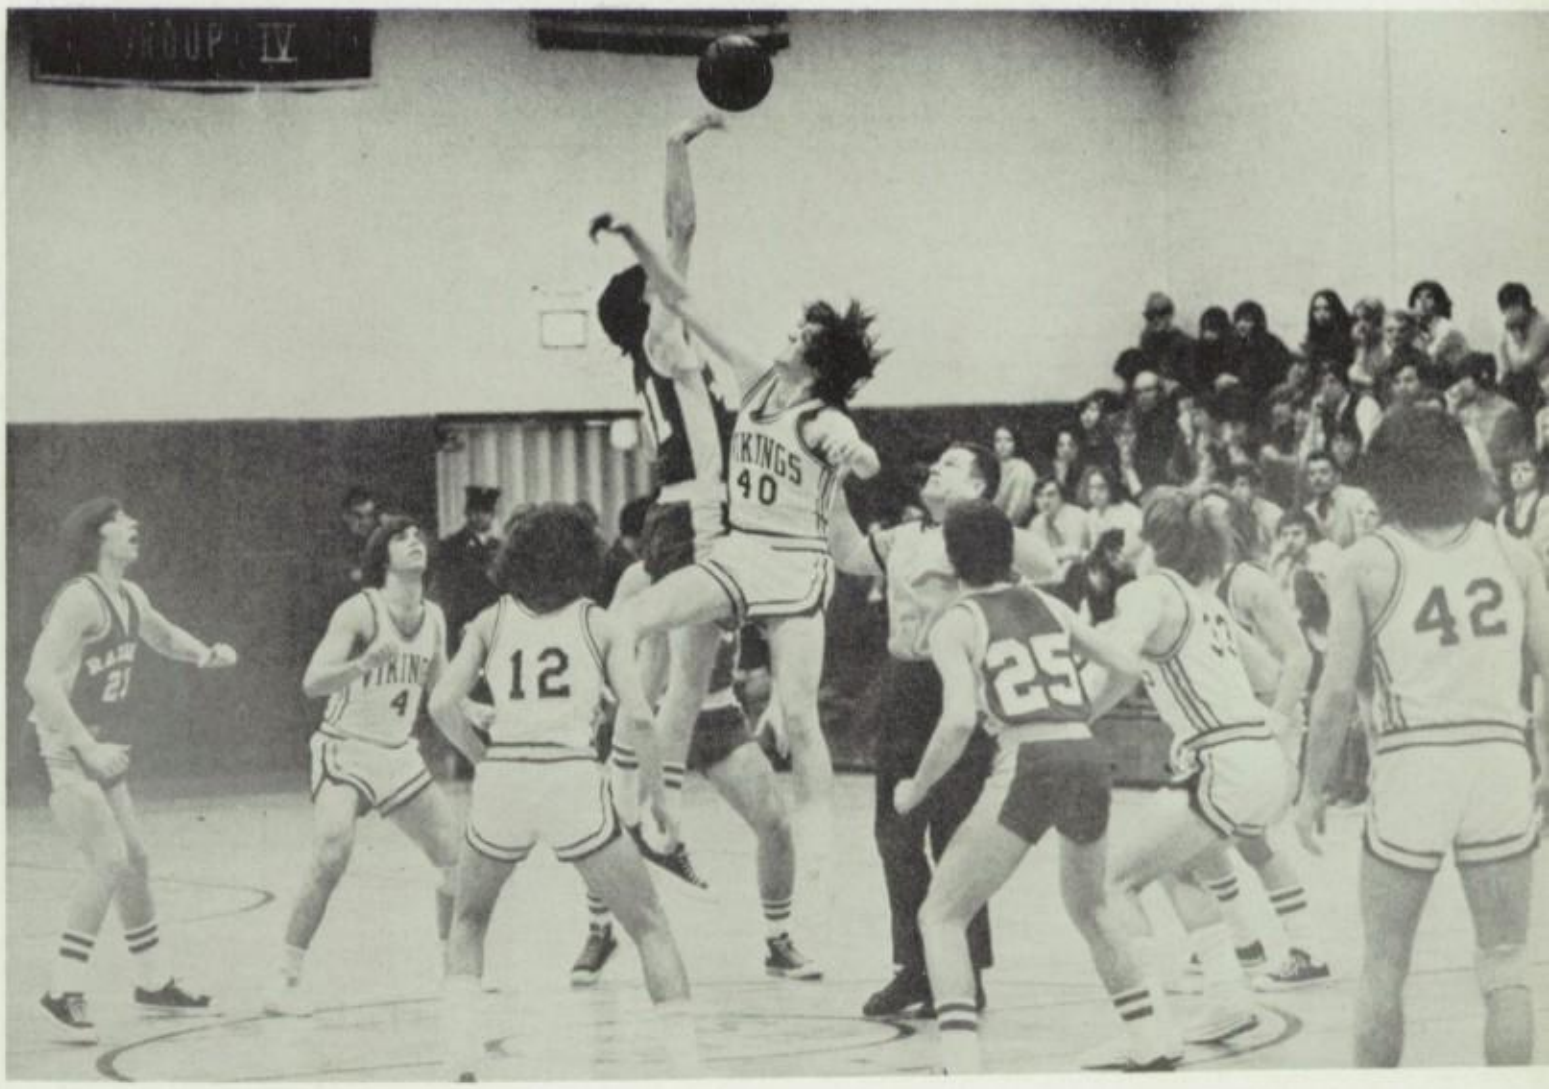
The 1st game of the State Tournament was against Marlbora High School. The Vikings had a height disadvantage but through their teamwork and enthusiasm were able to pull ahead early in the second quarter and stay ahead to defeat Marlboro 63-36. High scorers were Don Kilburn and Tom Mc'Intyre with 19 and 17 pts. respectively.

In the 2nd game the Vikings took on the Hillsbourgh Raiders. The teams were evenly matched but through the spectacular performance of Bob Kufka and Mike Hopkins they were able to defeat the Raiders 62-57.

The next game was against the Somerville Pioneers. By half-time the Vikings had the game under control and the game ended with the Vikings 74 Pioneers 56. Scoring was led by Don Kilburn with 18 pts. and Tom McIntyre and Mike Hopkins with 16 pts. apiece. Bill Sherman who had an outstanding defensive game chipped in 12 pts.

Now it was time to meet the Red Devils of Ridge in a fight for the Central Jersey Group II Championship. The Vikings were once again at a height disadvantage but through the help of Don Kilburn's Clutch foul shooting they won the game. The final score was 42-41. The Vikings were led by Don Kilburn and an excellent job by Sr. Bill Sherman on Defensive.

The Vikings with a record of 21-5 were now CENTRAL JERSEY GROUP II CHAMPS, a feat that hasn't been accomplished since 1968. It was now on to the semi-final state championship game against Pleasantville.



Pleasantville had a tremendous height advantage and a 27-0 record. At the end of the first half the score was 29-18 and it looked like the Vikings were headed for disaster. Then in the fourth quarter S.B. pressured Pleasantville and dwindled their 8 point lead down to 2 points with 2:11 seconds remaining. Each team scored 2 points apiece making the final score: Pleasantville 51, South Brunswick 49. Even though they lost, it was a great comeback for the Vikings who were the definite underdogs, and wound up the season with a school record of 26 victories.

Congratulations Vikings!
